SUMMARY

Effect of the Bill:

The bill makes various revisions to Department of Highway Safety and Motor Vehicles (DHSMV) processes, including:

- Prohibiting and penalizing a person who, without authorization from DHSMV or a tax collector, sells or offers to sell service appointments offered by DHSMV or an authorized tax collector.
- Authorizing tax collectors to deliver certain documents by mail or make them available at their office.
- Revising the requirements governing the issuance of disabled parking permits.
- Revising the deadline by which the transition of driver license issuance services to tax collectors be complete from 2015 to 2027.
- Providing that certain driver applicants that cheat on their driver license exams must retake such exams.
- Authorizing tax collectors to process specified transactions using the DHSMV's online license and registration portal and offer licensees certain charitable donation options.
- Requiring the revocation of a restricted driving privilege in certain circumstances.

Fiscal or Economic Impact:

This bill does not appear to have a fiscal impact on state or local governments. The bill may have an indeterminate positive fiscal impact on the private sector.

ANALYSIS

EFFECT OF THE BILL:

Prohibiting the Sale of Service Appointments

Unless authorized in writing by the Department of Highway Safety and Motor Vehicles (DHSMV) or a tax collector, the bill prohibits a person from selling or offering to sell a service appointment with a DHSMV office, or the office of a tax collector for any DHSMV-related service authorized in law. The bill provides that any person who violates this prohibition commits a misdemeanor of the first degree. (Section 1)

Tax Collector Issuance and Delivery of Documents

The bill allows tax collectors, as authorized agents of the Department of Highway Safety and Motor Vehicles (DHSMV), to:

- Deliver original certificates of title and corrected certificates by mail or make such certificates available to applicants at tax collectors' offices.
- Issue duplicate copies of a certificate of title and provide such duplicate registration via mail to the applicants address.
- Deliver in person at the request of the applicant: registration certificates, renewals, duplicate registration certificates, license plates, mobile home stickers, and validation stickers. (Sections 2, 3, 4)

Disabled Parking Permits
The bill provides that the DHSMV must renew the disabled parking permit of a person certified as permanently disabled on the previous application for a subsequent four-year period without requiring the person to provide another certificate of disability or U.S. Department of Veteran Affairs Form Letter 27-333, or its equivalent. The bill would allow a person to continue to apply for a permanently disabled parking permit decal every four years but only have to provide certification of disability from a physician every eight years. (Section 5)

Transition of Driver License Issuance Services from the DHSMV to Tax Collectors
The bill provides that the transition of driver license issuance services from the DHSMV to tax collectors, including the transition to the recently elected tax collectors in Broward and Miami-Dade counties, must be completed no later than June 30, 2027. The bill also repeals an existing provision that states that the transition of services to appointed charter county tax collectors may occur on a limited basis as directed by the DHSMV. The bill repeals obsolete language relating to an implementation schedule contained in a transition report that was submitted in 2011. (Sections 6 and 8)

Driver License Examinations
The bill provides that a Class E driver license applicant or a commercial driver license applicant who is found to have cheated during or otherwise circumvented any portion of the driver license examination must retake the examination. (Section 7)

Tax Collectors and the Online License and Registration Portal
The bill allows tax collectors to process driver license and identification card transactions using the DHSMV's online license and registration portal (MyDMV Portal). The bill also allows tax collectors to offer a licensee or prospective licensee the option to increase the amount of his or her transaction to the next whole dollar amount to donate the amount of the increase to a charity registered with the Department of Agriculture and Consumer Services. (Section 8)

Temporary Disqualification of a Commercial Driver License
The bill clarifies that only an eligible person whose privilege to operate a commercial motor vehicle is temporarily disqualified, may, upon surrendering his or her commercial driver license, be issued a Class E driver license that is valid for the length of his or her unexpired commercial license at no cost. (Section 9)

Restricted Driver Licenses for Habitual Offenders
The bill provides that if a habitual offender is granted a limited driving privilege and subsequently violates the conditions of the restricted driving privilege, the restricted driving privilege must be revoked and the person is not eligible for any driving privilege for the remaining duration of the five-year period after his or her initial license revocation. (Section 10)

Effective Date
The bill is effective on July 1, 2026. (Section 12)

FISCAL OR ECONOMIC IMPACT:

PRIVATE SECTOR:

Certain charities may see an increase of revenues to the extent that a licensee or prospective licensee at a tax collector's office chooses to increase the amount of his or her transaction to the next whole dollar amount to donate to a charity registered with the Department of Agriculture and Consumer Services.

RELEVANT INFORMATION

SUBJECT OVERVIEW:

Prohibiting the Sale of Service Appointments
Current law does not prohibit a person from selling or offering to sell a service appointment offered by an office of the Department of Highway Safety and Motor Vehicles (DHSMV) or an office of a tax collector acting as an

authorized agent of the DHSMV. The DHSMV and authorized tax collectors offer various service appointments, including those relating to the issuance of:

- Driver licenses and identification cards;
- Motor Vehicle, mobile home and vessel registrations; and
- Certificate of titles for motor vehicles, mobile homes, and vessels.[1]

Currently, certain private entities have been accused of booking DHSMV-related appointments and selling them for money. For example, officials with the Miami-Dade Tax Collector's Office have indicated that they, "have uncovered a network of appointment scalpers that are profiting from [such] appointments."[2] The Miami-Dade Tax Collector has found that certain entities are using fake accounts and selling appointments at prices ranging from $25 to $250.[3]

Issuance of Certificates of Title and other Documents

An application for a certificate of title must be filed with the DHSMV, and must be accompanied by the required fee of $75.25.[4] A duly authorized person must sign the original certificate of title and each corrected certificate and, if there are no liens or encumbrances on the motor vehicle or mobile home deliver the certificate to the applicant or to another person as directed by the applicant or person, agent, or attorney submitting the application.[5]

If a certificate of title is lost or destroyed, a sworn application for a duplicate copy must be made to the DHSMV by the owner of the motor vehicle or mobile home or the holder of a lien on a form prescribed by the DHSMV and accompanied by the applicable fee.[6] The DHSMV must issue a duplicate copy of the certificate of title to the person entitled to receive the certificate of title.

The DHSMV and tax collectors may, at the request of the applicant, use the United States Postal Service to deliver registration certificates and renewals, license plates, mobile home stickers, and validation stickers to applicants.[7]

Disabled Parking Permits

The DHSMV or its authorized agents must, upon application and receipt of the required fee, issue a disabled parking permit for a period of up to four years to any person who has long-term mobility impairment.[8] A certificate of disability is required for an original and renewal disabled parking permit and must be provided by a licensed physician, podiatrist, optometrist, advanced registered nurse practitioner, physician's assistant, or a similarly licensed physician from another state.[9] There is no charge for a permanent disabled parking permit.[10]

Transition of Driver License Issuance Services from the DHSMV to Tax Collectors

Tax collectors may be designated the exclusive agent of the DHSMV to implement and administer driver license issuance services.[11] Current law provides that the intent is to transition driver license issuance services from the DHSMV to the tax collectors no later than June 30, 2015.[12] The transition of services to appointed charter county tax collectors may occur on a limited basis as directed by the DHSMV.[13]

On November 6, 2018, Florida voters approved Amendment 10 to the Florida Constitution, which provided for the election of tax collectors in all counties,[14] including the counties of Volusia, Broward, and Miami-Dade, who had yet

to elect tax collectors in their respective counties. A tax collector for Volusia County was elected in 2021 and began to assume the duties of issuing driver's licenses in its two offices, which was completed at the end of January 2022. Broward and Miami-Dade counties elected new tax collectors in November 2024, and as of March 2025, have begun the transition of those duties from the DHSMV. Until the transition is complete for Miami-Dade and Broward counties, the DHSMV will continue its driver license services in its eight offices in Miami-Dade County, and its five offices in Broward County. As of March 2025, Miami-Dade County has assumed operation of one of the DHSMV's driver license offices.[15]

Driver License Examinations

The DHSMV is required to conduct an examination of every applicant for a driver license, including an applicant who is licensed in another state or country, except under certain conditions.[16]

Class E Driver License

An applicant for a Class E driver license examination includes all of the following:

- A test of the applicant's eyesight given by the driver license examiner designated by the DHSMV or by a licensed ophthalmologist, optometrist, or physician. [17]
- A test of the applicant's hearing given by a driver license examiner or a licensed physician. [18]
- A test of the applicant's ability to read and understand highway signs regulating, warning, and directing traffic; his or her knowledge of the traffic laws of this state, including laws regulating driving under the influence of alcohol or controlled substances, driving with an unlawful blood-alcohol level, and driving while intoxicated; and his or her knowledge of the effects of alcohol and controlled substances upon persons and the dangers of driving a motor vehicle while under the influence of alcohol or controlled substances.[19]
- An actual demonstration of ability to exercise ordinary and reasonable control in the operation of a motor vehicle.[20]

Commercial Driver License

The examination for an applicant for a commercial driver license must include the following:

- A test of the applicant's eyesight given by a driver license examiner designated by the DHSMV or by a licensed ophthalmologist, optometrist, or physician and a test of the applicant's hearing given by a driver license examiner or a licensed physician.
- A test of the applicant's ability to read and understand highway signs regulating, warning, and directing traffic; his or her knowledge of the traffic laws of this state pertaining to the class of motor vehicle that he or she is applying to be licensed to operate, including laws regulating driving under the influence of alcohol or controlled substances, driving with an unlawful blood-alcohol level, and driving while intoxicated; his or her knowledge of the effects of alcohol and controlled substances and the dangers of driving a motor vehicle after having consumed alcohol or controlled substances; and his or her knowledge of any special skills, requirements, or precautions necessary for the safe operation of the class of vehicle that he or she is applying to be licensed to operate.
- An actual demonstration of the applicant's ability to exercise ordinary and reasonable control in the safe operation of a motor vehicle or combination of vehicles of the type covered by the license classification that the applicant is seeking, including an examination of the applicant's ability to perform an inspection of his or her vehicle.[21]

The portion of the examination that tests an applicant's safe driving ability must be administered by the DHSMV or by an entity authorized by the DHSMV to administer such examination. Such an examination must be administered at a location approved by the DHSMV.[22]

A person who seeks to retain a hazardous-materials endorsement must, upon renewal, pass the test for such endorsement if the person has not taken and passed the hazardous-materials test within two years preceding his or her application for a commercial driver license in this state.[23]

If the DHSMV has sufficient evidence that an applicant has cheated on an examination, the DHSMV may suspend a person's driver license for one year. When an applicant returns to take the examination, such applicant is charged $20 for each subsequent examination. If the test is administered by a tax collector, the tax collector retains the $20 fee, less the general revenue service fee. The tax collector may also charge a $6.25 service fee.[24]

Online License and Registration Portal

The DHSMV is required to authorize by interagency agreement the tax collectors, in accordance with rules of the department, to serve as its agent for the provision of specified driver license services.[25] The services provided by tax collectors are limited to the issuance of driver licenses and identification cards.[26]

The DHSMVs online license and registration portal (MyDMV Portal) is a customer facing portal that allows Florida residents to renew or replace a driver license, identification card, and vehicle registrations. According to the DHSMV, the department previously agreed it will build functionality into the MyDMV Portal to allow customers the option to order a credential online and pick it up at their local tax collector's office the same day, if the customer is willing to pay the additional $6.25 tax collector service fee.[27]

Currently, customers do not have the option of rounding up their transaction amount to the next dollar amount and donating those funds to charity. However, customers are allowed to make a voluntary contribution when renewing a driver's license or motor vehicle registration to statutorily approved organizations.[28]

Temporary Disqualification of a Commercial Driver License

A person whose privilege to operate a commercial motor vehicle is temporarily disqualified may, upon surrendering his or her commercial driver license, be issued a Class E driver license, valid for the length of his or her unexpired commercial driver license, at no cost.[29] After the period of disqualification ends, the person may be issued a commercial driver license for the remainder of his or her unexpired license period. Eligible persons must pay the reinstatement fee before being issued a commercial driver license.[30]

Restricted Driver Licenses for Habitual Offenders

A person whose driving privilege has been revoked for being a habitual offender,[31] may petition the DHSMV for reinstatement of his or her driving privileges after a period of 12 months has passed.[32] Upon such petition and after investigation of the person's qualification, fitness, and need to drive, the DHSMV must hold a hearing to determine whether the driving privilege should be reinstated on a restricted basis solely for business or employment purposes.

Current law defines the term "habitual offender" as any person whose record, as maintained by the DHSMV, shows that such person has accumulated the specified number of convictions for offenses described below within a five-year period:

- Three or more convictions of any one or more of the following offenses arising out of separate acts:

A bill to be entitled

An act relating to the Department of Highway Safety and Motor Vehicles; creating s. 316.88, F.S.; prohibiting the sale of certain service appointments unless authorized in writing by specified entities; amending s. 319.24, F.S.; authorizing tax collectors to deliver by mail or make available at the tax collector's office certificates of title; amending s. 319.29, F.S.; providing that certain applications may be fulfilled by the tax collector acting as an authorized agent of the department; amending s. 320.031, F.S.; authorizing the department and tax collectors, as agents of the department, to deliver certain documents, including duplicate registration certificates, in person or by mail; amending s. 320.0848, F.S.; requiring the department to renew certain disabled parking permits for a specified period without requiring certain documentation; amending s. 322.02, F.S.; revising the year by which the Legislature intends that the transition of certain services to certain tax collectors be completed; removing a provision authorizing such transition of services to appointed charter county tax collectors on a limited basis; providing that the tax collector is, rather than may be, designated the exclusive agent of

the department for a specified purpose; amending s. 322.12, F.S.; requiring certain driver license applicants to retake certain examinations; amending s. 322.135, F.S.; authorizing a tax collector to process certain transactions using the department's online license and registration portal; authorizing a tax collector to offer to a licensee or prospective licensee a certain donation option; removing a provision concerning driver license issuance being assumed by tax collectors by a certain date; amending s. 322.251, F.S.; authorizing the issuance of a Class E driver license to certain persons, if eligible; amending s. 322.271, F.S.; requiring the revocation of a restricted driving privilege for a specified period in certain circumstances; amending s. 322.66, F.S.; conforming a cross-reference; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 316.88, Florida Statutes, is created to read:

316.88 Sale of appointments prohibited.—Unless authorized in writing by the department or a tax collector acting as an authorized agent of the department, a person may not sell, or

offer to sell, a service appointment with a department office, or the office of a tax collector acting as an authorized agent of the department, for any service authorized by chapter 319, chapter 320, chapter 322, or chapter 328. A person who violates this section commits a misdemeanor of the first degree, punishable as provided in s. 775.082 or s. 775.083.

Section 2. Subsection (2) of section 319.24, Florida Statutes, is amended to read:

319.24 Issuance in duplicate; delivery; liens and encumbrances.—

(2) A duly authorized person shall sign the original certificate of title and each corrected certificate and, if there are no liens or encumbrances on the motor vehicle or mobile home, as shown in the records of the department or as shown in the application, must ~~shall~~ deliver the certificate to the applicant or to another person as directed by the applicant or person, agent, or attorney submitting such application. Tax collectors, as authorized agents of the department, may deliver original certificates of title and corrected certificates by mail or make such certificates available to applicants at tax collectors' offices. The motor vehicle dealer license number must be submitted to the department when a dealer applies for or receives a duplicate title. The current odometer reading must be submitted on an application for a duplicate title. If there are one or more liens or encumbrances on the motor vehicle or mobile

home, the certificate must ~~shall~~ be delivered by the department to the first lienholder as shown by department records or to the owner as indicated in the notice of lien filed by the first lienholder pursuant to s. 319.27. If the notice of lien filed by the first lienholder indicates that the certificate should be delivered to the first lienholder, the department must ~~shall~~ deliver to the first lienholder, along with the certificate, a form to be subsequently used by the lienholder as a satisfaction. If the notice of lien filed by the first lienholder directs the certificate of title to be delivered to the owner, then, upon delivery of the certificate of title by the department to the owner, the department must ~~shall~~ deliver to the first lienholder confirmation of the receipt of the notice of lien and the date the certificate of title was issued to the owner at the owner's address shown on the notice of lien and a form to be subsequently used by the lienholder as a satisfaction. If the application for certificate shows the name of a first lienholder different from the name of the first lienholder as shown by the records of the department or if the application does not show the name of a judgment lienholder as shown by the records of the department, the certificate may ~~shall~~ not be issued to any person until after all parties who appear to hold a lien and the applicant for the certificate have been notified of the conflict in writing by the department by certified mail. If the parties do not amicably resolve the

conflict within 10 days from the date such notice was mailed, ~~then~~ the department must ~~shall~~ serve notice in writing by certified mail on all persons appearing to hold liens on that particular vehicle, including the applicant for the certificate, to show cause within 15 days from the date the notice is mailed why it should not issue and deliver the certificate to the person indicated in the notice of lien filed by the lienholder whose name appears in the application as the first lienholder without showing any lien or liens as outstanding other than those appearing in the application or those which may have been filed subsequent to the filing of the application for the certificate. If, within the 15-day period, any person other than the lienholder shown in the application or a party filing a subsequent lien, in answer to such notice to show cause, appears in person or by a representative, or responds in writing, and files a written statement under oath that his or her lien on that particular vehicle is still outstanding, the department may ~~shall~~ not issue the certificate to anyone until after such conflict has been settled by the lien claimants involved or by a court of competent jurisdiction. If the conflict is not settled amicably within 10 days of the final date for filing an answer to the notice to show cause, the complaining party must ~~shall~~ have 10 days to obtain a ruling, or a stay order, from a court of competent jurisdiction; if no ruling or stay order is issued and served on the department within the 10-day period, it must

~~shall~~ issue the certificate showing no liens except those shown in the application or thereafter filed to the original applicant if there are no liens shown in the application and none are thereafter filed, or to the person indicated in the notice of lien filed by the lienholder whose name appears in the application as the first lienholder if there are liens shown in the application or thereafter filed. A duplicate certificate or corrected certificate may ~~shall~~ only show such lien or liens as were shown in the application and subsequently filed liens that may be outstanding.

Section 3. Present subsection (4) of section 319.29, Florida Statutes, is redesignated as subsection (5), and a new subsection (4) is added to that section, to read:

319.29 Lost or destroyed certificates.—

(4) An application for a duplicate copy of a certificate of title may be fulfilled by the tax collector acting as an authorized agent of the department. Upon the applicant's request, the duplicate copy may be issued by the tax collector and provided to the applicant at the tax collector's office or mailed by the tax collector to the applicant's address.

Section 4. Subsection (1) of section 320.031, Florida Statutes, is amended to read:

320.031 Mailing or delivery of registration certificates, license plates, and validation stickers.—

(1) The department and the tax collectors of the several

counties of the state, as agents of the department, may at the request of the applicant deliver in person or use United States mail service to deliver registration certificates and renewals thereof, duplicate registration certificates, license plates, mobile home stickers, and validation stickers to applicants.

Section 5. Paragraph (d) of subsection (1) of section 320.0848, Florida Statutes, is amended to read:

320.0848 Persons who have disabilities; issuance of disabled parking permits; temporary permits; permits for certain providers of transportation services to persons who have disabilities.—

(1)

(d) The department shall renew the disabled parking permit of a ~~any~~ person certified as permanently disabled on the previous application for a subsequent 4-year period without requiring the person to provide another certificate of disability or United States Department of Veterans Affairs Form Letter 27-333, or its equivalent, as applicable. After such 4-year period, the department shall renew the disabled parking permit if the person provides a certificate of disability issued within the last 12 months pursuant to this subsection. A veteran who has been previously evaluated and certified by the United States Department of Veterans Affairs or any branch of the United States Armed Forces as permanently and totally disabled from a service-connected disability may provide a United States

Department of Veterans Affairs Form Letter 27-333, or its equivalent, issued within the last 12 months in lieu of a certificate of disability.

Section 6. Subsections (1) and (5) of section 322.02, Florida Statutes, are amended to read:

322.02 Legislative intent; administration.—

(1) The Legislature finds that over the past several years the department and individual county tax collectors have entered into contracts for the delivery of full and limited driver license services where such contractual relationships best served the public interest through state administration and enforcement and local government implementation. It is the intent of the Legislature that the complete transition of all driver license issuance services to tax collectors who are constitutional officers under s. 1(d), Art. VIII of the State Constitution be completed no later than June 30, 2027 ~~2015~~. ~~The transition of services to appointed charter county tax collectors may occur on a limited basis as directed by the department.~~

(5) The tax collector in and for his or her county is ~~may be~~ designated the exclusive agent of the department to implement and administer ~~the provisions of~~ this chapter as provided by s. 322.135.

Section 7. Subsections (3) and (4) of section 322.12, Florida Statutes, are amended to read:

322.12 Examination of applicants.—

(3)(a) For an applicant for a Class E driver license, such examination must ~~shall~~ include all of the following:

1.~~(a)~~ A test of the applicant's eyesight given by the driver license examiner designated by the department or by a licensed ophthalmologist, optometrist, or physician.

2.~~(b)~~ A test of the applicant's hearing given by a driver license examiner or a licensed physician.

3.~~(c)~~ A test of the applicant's ability to read and understand highway signs regulating, warning, and directing traffic; his or her knowledge of the traffic laws of this state, including laws regulating driving under the influence of alcohol or controlled substances, driving with an unlawful blood-alcohol level, and driving while intoxicated; and his or her knowledge of the effects of alcohol and controlled substances upon persons and the dangers of driving a motor vehicle while under the influence of alcohol or controlled substances. At least 25 questions within the bank of test questions must address bicycle and pedestrian safety.

4.~~(d)~~ An actual demonstration of ability to exercise ordinary and reasonable control in the operation of a motor vehicle.

(b) An applicant who is found to have cheated during, or to have otherwise circumvented, any portion of the examination must retake the examination.

(4)(a) The examination for an applicant for a commercial driver license must ~~shall~~ include all of the following:

1. A test of the applicant's eyesight given by a driver license examiner designated by the department or by a licensed ophthalmologist, optometrist, or physician. ~~and~~

2. A test of the applicant's hearing given by a driver license examiner or a licensed physician.

3. ~~The examination shall also include~~ A test of the applicant's ability to read and understand highway signs regulating, warning, and directing traffic; his or her knowledge of the traffic laws of this state pertaining to the class of motor vehicle which he or she is applying to be licensed to operate, including laws regulating driving under the influence of alcohol or controlled substances, driving with an unlawful blood-alcohol level, and driving while intoxicated; his or her knowledge of the effects of alcohol and controlled substances and the dangers of driving a motor vehicle after having consumed alcohol or controlled substances; and his or her knowledge of any special skills, requirements, or precautions necessary for the safe operation of the class of vehicle which he or she is applying to be licensed to operate.

4. ~~In addition, the examination shall include~~ An actual demonstration of the applicant's ability to exercise ordinary and reasonable control in the safe operation of a motor vehicle or combination of vehicles of the type covered by the license

classification which the applicant is seeking, including an examination of the applicant's ability to perform an inspection of his or her vehicle.

(b) ~~(a)~~ The portion of the examination required under subparagraph (a)4. ~~which tests an applicant's safe driving ability~~ shall be administered by the department or by an entity authorized by the department to administer such examination, pursuant to s. 322.56. Such examination shall be administered at a location approved by the department.

(c) ~~(b)~~ A person who seeks to retain a hazardous-materials endorsement must, upon renewal, pass the test for such endorsement as specified in s. 322.57(1)(e), if the person has not taken and passed the hazardous-materials test within 2 years preceding his or her application for a commercial driver license in this state.

(d) An applicant who is found to have cheated during, or to have otherwise circumvented, any portion of the examination must retake the examination.

Section 8. Subsections (6) and (7) of section 322.135, Florida Statutes, are renumbered as subsections (5) and (6), respectively, paragraph (a) of subsection (1) and present subsection (5) are amended, and paragraph (d) is added to subsection (1) of that section, to read:

322.135 Driver license agents.—

(1) The department shall, upon application, authorize by

interagency agreement any or all of the tax collectors who are constitutional officers under s. 1(d), Art. VIII of the State Constitution in the several counties of the state, subject to the requirements of law, in accordance with rules of the department, to serve as its agent for the provision of specified driver license services.

(a) These services shall be limited to the issuance of driver licenses and identification cards as authorized by this chapter, transactions for which may be processed by the tax collector using the department's online license and registration portal.

(d) A tax collector may offer a licensee or prospective licensee the option to increase the amount of his or her transaction to the next whole dollar amount in order to donate the amount of the increase to a charity registered with the Department of Agriculture and Consumer Services.

~~(5) All driver license issuance services shall be assumed by the tax collectors who are constitutional officers under s. 1(d), Art. VIII of the State Constitution by June 30, 2015. The implementation shall follow the schedule outlined in the transition report of February 1, 2011, which was required pursuant to chapter 2010-163, Laws of Florida.~~

Section 9. Subsection (4) of section 322.251, Florida Statutes, is amended to read:

322.251 Notice of cancellation, suspension, revocation, or

disqualification of license.—

(4) A person whose privilege to operate a commercial motor vehicle is temporarily disqualified may, upon surrendering his or her commercial driver license, be issued a Class E driver license, valid for the length of his or her unexpired commercial driver license, if eligible, at no cost. Such person may, upon the completion of his or her disqualification, be issued a commercial driver license, of the type disqualified, for the remainder of his or her unexpired license period. Any such person must ~~shall~~ pay the reinstatement fee provided in s. 322.21 before being issued a commercial driver license.

Section 10. Paragraph (b) of subsection (1) of section 322.271, Florida Statutes, is amended to read:

322.271 Authority to modify revocation, cancellation, or suspension order.—

(1)

(b) A person whose driving privilege has been revoked under s. 322.27(5) may, upon expiration of 12 months from the date of such revocation, petition the department for reinstatement of his or her driving privilege. Upon such petition and after investigation of the person's qualification, fitness, and need to drive, the department shall hold a hearing pursuant to chapter 120 to determine whether the driving privilege shall be reinstated on a restricted basis solely for business or employment purposes. If such person is granted a

limited driving privilege and subsequently violates the conditions of the restricted driving privilege, the restricted driving privilege must be revoked and the person is not eligible for any driving privilege for the remaining duration of the 5-year period after his or her initial license revocation.

Section 11. Section 322.66, Florida Statutes, is amended to read:

322.66 Vehicles permitted to be driven during driving skills tests.—A person who does not possess a valid driver license may drive a noncommercial or commercial motor vehicle during a driving skills test conducted in accordance with s. 322.12(3) and (4)(b) ~~s. 322.12(3) and (4)(a)~~, if the person has passed the vision, hearing, road rules, and road signs tests ordinarily administered to applicants for a Class E license, and, if required, has passed the commercial driver license knowledge and appropriate endorsement tests.

Section 12. This act shall take effect July 1, 2026.

12	From the funds in Specific Appropriation 1821, $6,000,000 shall be used by the Commission for the Transportation Disadvantaged to continue the Innovative Service Development Grant program. Funds shall be used to provide competitive grants to community transportation coordinators and non-traditional transportation service providers, such as transportation network companies, that provide door-to-door, on-demand, or scheduled transportation services for innovative service delivery that is more cost efficient for the program and time efficient for users. Projects serving a single county may receive up to $750,000; projects serving multiple counties with a goal of providing regional mobility may receive a maximum of $1,500,000. A ten percent local match is required for all grants. All funds shall be used to provide direct services to transportation disadvantaged clients.		12

765		From the funds provided in Specific Appropriation 2929, the nonrecurring sum of $800,000 from the General Revenue Fund is provided to the Department of State for the implementation of a Business Verification System. Of these funds, 75 percent shall be placed in reserve. All general revenue not held in reserve shall be fully released. The department is authorized to submit quarterly budget amendments to request release of funds pursuant to chapter 216, Florida Statutes, and based on the department's planned quarterly expenditures. Release is contingent upon the submission of a revised, accurate, and comprehensive operational work plan and a monthly spend plan with expenditures broken out by deliverable that demonstrates appropriate project progression and identifies all project work and costs budgeted for Fiscal Year 2025-2026. The department shall submit quarterly project status reports to the Executive Office of the Governor's Office of Policy and Budget, the chair of the Senate Appropriations Committee, and the chair of the House Budget Committee no later than thirty days from the close of the quarter. Each status report must include progress made to date for each project milestone, deliverable, and task order, planned and actual completion dates, planned and actual costs incurred, and any current project issues and risks.	765
