SENATE COMMERCE COMMITTEE

STATEMENT TO

SENATE, No. 4422

STATE OF NEW JERSEY

DATED: MAY 22, 2025

The Senate Commerce Committee reports favorably Senate Bill No. 4422.

This bill requires approval of an application submitted for credentialing so a physician can participate in a carrier's provider network if the application demonstrates that the license of the physician issued by the State Board of Medical Examiners in New Jersey is in good standing. This also includes applications for the renewal of a credential. This is intended to streamline the credentialing process for physicians licensed in the State.
