ASSEMBLY COMMERCE, ECONOMIC DEVELOPMENT AND AGRICULTURE COMMITTEE

STATEMENT TO

ASSEMBLY, No. 1790

STATE OF NEW JERSEY

DATED: NOVEMBER 24, 2025

The Assembly Commerce, Economic Development and Agriculture Committee reports favorably Assembly Bill No. 1790.

This bill requires the State Treasurer to establish and maintain an up-to-date and public registry of out-of-state contactors who are awarded contracts to engage in the performance of public works projects in this State. The registry would include, but need not be limited to, a description of the public works project of each out-of-state contractor operating in this State along with the trade name, owner name, and principal business address of that out-of-state contractor. The State Treasurer would be required to prominently display the registry on a website maintained by the Department of the Treasury and distribute a printed or electronic copy of the registry to any contractor, out-of-state contractor, or public body, upon request.

This bill was pre-filed for introduction in the 2024-2025 session pending technical review. As reported, the bill includes the changes required by technical review, which has been performed.
