Cybersecurity Advisory Committee

Deliverables:

EMC Annual Report

- Submitted annually to the Governor's Office

Annual State Cybersecurity Report

- Co-authored with WaTech
- Submitted annually to the Governor's Office and Legislature

State of Cybersecurity Report Recommendations

- Develop a sustainable alternative to restore MS-ISAC capabilities and statewide threat intelligence services.
- Fully operationalize the Cybersecurity Incident Response Team (CIRT).
- Continue and, if needed, replace SLCGP-type funding.
