Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

1. The Attorney General's Office (AGO) Transportation and Public Construction Division (TPC) has reviewed this bill and determined it will not significantly increase or decrease the division's workload in representing the Military Department (MIL). The enactment of this bill will not impact the provision of legal services to MIL. TPC does not advise or represent MIL in these matters. Any advice would be limited to assisting TPC client agencies in their coordination with attorneys in other offices providing direct representation in the matter. New legal services are nominal, and costs are not included in this request.

2. The AGO Agriculture & Health Division (AHD) has reviewed this bill and determined it will not significantly increase or decrease the division's workload in representing the Department of Commerce. Commerce was assigned this fiscal note request for its role in estimating the impact of bills on local governments. This work by Commerce is not expected to generate requests for legal services from AHD. New legal services are nominal, and costs are not included in this request.

Part II: Narrative Explanation

II. A - Brief Description Of What The Measure Does That Has Fiscal Impact

Significant provisions of the bill and any related workload or policy assumptions that have revenue or expenditure impact on the responding agency by section number.

This bill adds a new section to chapter 38.38, Washington Code of Military Justice, and intends to ensure the same protections afforded to service members who are victims of a crime while in federal status exist when the same members of our national guard are serving in a state capacity.

Because Washington National Guard places service members into duty status for victim support, there is no expected additional fiscal impact to Military Department.

II. B - Cash receipts Impact

Cash receipts impact of the legislation on the responding agency with the cash receipts provisions identified by section number and when appropriate, the detail of the revenue sources. Description of the factual basis of the assumptions and the method by which the cash receipts impact is derived. Explanation of how workload assumptions translate into estimates. Distinguished between one time and ongoing functions.

Description of the factual basis of the assumptions and the method by which the expenditure impact is derived. Explanation of how workload assumptions translate into cost estimates.
