SENATE COMMERCE COMMITTEE

STATEMENT TO

SENATE, No. 2777

STATE OF NEW JERSEY

DATED: FEBRUARY 12, 2026

The Senate Commerce Committee reports favorably Senate Bill No. 2777.

This bill requires approval of an application submitted for credentialing so a physician can participate in a carrier's provider network if the application demonstrates that the license of the physician issued by the State Board of Medical Examiners in New Jersey is in good standing. This also includes applications for the renewal of a credential. This is intended to streamline the credentialing process for physicians licensed in the State.

This bill was pre-filed for introduction in the 2026-2027 session pending technical review. As reported, the bill includes the changes required by technical review, which has been performed.
