## Report and Recommendation Concerning Guilty Plea

On August 18, 2026, by consent, the defendant appeared before me under Rule 11, Federal Rules of Criminal Procedure, and Local Rule 1.02(a) and pleaded guilty to counts three and four of the indictment. After cautioning him and examining him under oath concerning each Rule 11 matter, I found that his pleas were knowingly, freely, intelligently, and voluntarily made, and the facts that he admitted establish the elements of the charged offenses. I therefore recommend that the court accept his pleas and adjudicate him guilty of counts three and four of the indictment. The parties agreed to waive the 14-day period to object to this report and recommendation.
