Re: United States v. Carmine G. Agnello, 24-CR-366 (NJC)

Consonant with this Court's directives I am writing the Court to provide an update on the status of kidney transplantation procedure scheduled initially for August 3, 2026. As you know Mr. Agnello's treating physician and the treating physician of the anticipated organ recipient previously attested that the procedure was scheduled for August 3, 2026. (See ECF Nos. 49, 50)

I have been advised that the kidney donor recipient was tested last week in preparation for same and has a serious infection requiring a battery of antibiotics which has prompted what is expected to be a minor delay in the transplantation (See Attachments).

It is nonetheless hoped that she will be cleared for surgery in the coming days and Mr. Agnello stands ready to provide the donation and simply awaits word of a greenlight for surgery.

It is understood that given "that the anticipated organ transplant procedure does not take place on August 3, 2026, Mr. Agnello *must* self-surrender to the Bureau of Prisons by 2:00 p.m. on August 10, 2026.

Notwithstanding same we do have high hopes that the procedure may take place before August 10th, 2026, in which case we would ask that the Court would consider allowing Mr. Agnello to "self-surrender to the Bureau of Prisons by 2:00 pm on September 18, 2026," consonant with the general spirit of this Court's deferment order.

Obviously if the Hospital is unable to proceed by the 10th because the recipient's infection has not abated, we will apprise the Court forthwith and Mr. Agnello would surrender to the Bureau of Prisons as directed by no later than 2:00 p.m. on August 10, 2026.

Unfortunately, much to my consternation the profile of this case would seem to be causing extra delays with the Hospital's legal department. I apologize for not being in a position to provide more complete information.

Thank you for the Court's time and consideration.

Respectfully submitted,

/s/ Robert Beltrani

Ms. Lowy, at this point I will take an enail. My preference would be on letterhead bit as I indicated earlier, time is of the essence.

Please send what you can. Thank you again for your assistance. Also, if they have an anticipated.new surgery date please include that along with a brief description as to why it was postponed.

Sincerely,

Once again, time is if the essence. I've been informed that the team was ready willing and able to provide this information but was instructed that it had to go through the legal department. Your cooperation is greatly appreciated. Thank you in advance.
