EX PARTE
FILED UNDER SEAL
Case No.: 8:21-cv-1742-CEH-CPT

NOTICE OF ELECTION TO INTERVENE
AND NOTICE OF RESOLUTION UNDER LOCAL RULE 3.09

Under 31 U.S.C. § 3730(b)(2) and (4) and Local Rule 3.09, the United States announces its decision to intervene in part for the purpose of settlement and otherwise decline to intervene. Specifically, the United States intervenes in the relator's claim against Victory Automotive Group, LLC. The United States declines the remaining claims. Additionally, the United States announces a settlement of the intervened claims.

Accordingly, the United States requests unsealing of the complaint, this notice, and the parties' forthcoming stipulation of dismissal. The United States further requests that all other papers previously filed in this action remain under seal because those papers discuss the content and extent of the United States' investigation for the sole purpose of assisting the Court in evaluating whether to

extend the seal and intervention period.

Respectfully submitted on this 29th day of September, 2023.
