Hi, Justin. We are going to ask the Court for an extension of time for self-surrender and wanted to get your position on the request. Patrick is continuing to sell his assets to pay off restitution. Specifically, he is working on the following transactions:

- 12 NW 5th Place Williston FL 32696
  - Asking price $3.9M
  - He received an offer and is currently reviewing it. Needs 120 days to close property and move out of location. This is a main business location. The full proceeds of this sale will provide $1.5M to $2.4M towards restitution
- Yankeetown Island
  - Listed for sale and reviewing offers through 1/30 then will take 60-90 days to close
- 8657 NE 150th Ave Williston, FL 32696
  - Flip House
    - He has been working to get this property ready for sale over the past 4 months and construction will be completed by February 15.th A realtor is involved and the property will be listed for $845,000.
    - Realtor believes he can expect to sell and close within 120 days.
    - This property will provide approximately $500,000 towards restitution
- 541 SE 1st Ave, Williston, FL 32696
  - Flip House
    - The construction on this house will be completed by March 30th
    - Realtor expects to sell and close on this property in 90 days.
    - This property will provide approximately $300,000 towards restitution
- Airship Sales
  - Working with multiple parties to sell the Airship assets of AirSign Airship Group and have identified the following possible deals:
    - A-170 Airship for $1.5M to Straight-line Aviation
    - Skyship Services Inc. is considering the purchase of:
      - A60 SN18 Airship for $750,000
      - A150 Airship for $950,000
      - Airship Parts and equipment for $500,000
      - Total Package purchase: $2,150,000
      - This package will take 90-120 days to complete and full proceeds will be sent to DOJ

Given the active transactions (and with the intent of providing full restitution), we will be requesting 120 days to complete the above items and self-surrender. Does the government have a position?

We also would not oppose, and may request, an extension of the sentencing date so Mr. Walsh can complete these sales prior to sentencing and continue to provide cooperation to the government. There is a lot of information to sort through in terms of his assistance and a brief continuance may be helpful. I just provided some documents to the government but there are many more communications, spreadsheets, etc. that need to be reviewed. Mr. Walsh is trying to organize all the information but there is a sense of being rushed due to the time crunch. I'd propose meeting on the 31st in Gainesville to review some of these things in person and continuing the sentencing hearing to a later date. Let me know your thoughts.
Thanks,
Nicole

The duration of aircraft registration certificates has been extended up to 7 years. The Registry will be issuing revised certificates in batches based on the former expiration date. For verification purposes, even though the expiration date on the registration certificate may not match the expiration date in the FAA Aircraft Registration database, any registration certificate displaying an expiration date of January 31, 2023 or later is still valid. This applies to all foreign Civil Aviation Authorities or anyone else with a verification need.
