Blueflame Strategies J Thomas Auth.pdf

David,
Mariano is waiting to hear back from docusign regarding removing the void status. I will let you know as soon as we get an answer on that. I'm sure you already saw this and I know it doesn't really help us, but John Thomas did sign this wire transfer agreement authorizer designation form that has the Blue Blame Medical LLC account on it. It does show he was associated or accepted the ability to wire funds from the account.
