RE: dismissal of Counsel

I would like to respectfully request to dismiss my attorney off My case. Because She is for me or my case.. In addition the attorney Client privilege has been broken at this point, and I don't ~~[redacted]~~ want my life in this Attorney hands. Finally I would like the courts to appoint me a New attorney or allow me to put my own defence at court..
The sixth Amendment required All Petitioners have effective assistence of Counsel.
