Only the agency listed under **Who Do I Owe** has information about your debt. Before sending a debt to Fiscal Service, an agency must send notice to you at the address in its records. The notice explains the amount and type of debt you owe, the rights available to you, and the agency's intention to collect the debt by applying eligible federal payments made to you.

For questions about your debt, please call the agency listed under **Who Do I Owe**. If you have questions about the Treasury Offset Program, please visit our website at www.fiscal.treasury.gov/TOP. Please do not contact the Social Security Administration regarding the reduction made in your federal payment as a result of this offset.
