For an additional amount for ''Public Health and Social Services Emergency Fund'', $16,000,000,000, to remain available until expended, to prevent, prepare for, and respond to coronavirus, domestically or internationally, which shall be for necessary expenses for testing, contact tracing, surveillance, containment, and mitigation to monitor and suppress COVID–19, including tests for both active infection and prior exposure, including molecular, antigen, and serological tests, the manufacturing, procurement and distribution of tests, testing equipment and testing supplies, including personal protective equipment needed for administering tests, the development and validation of rapid, molecular point-of-care tests, and other tests, support for workforce, epidemiology, to scale up academic, commercial, public health, and hospital laboratories, to conduct surveillance and contact tracing, support development of COVID–19 testing plans, and other related activities related to COVID–19 testing: *Provided*, That of the amount appropriated under this paragraph in this Act, not less than $15,000,000,000 shall be for States, localities, territories, tribes, tribal organizations, urban Indian health organizations, or health service providers to tribes for necessary expenses for testing, contact tracing, surveillance, containment, and mitigation, including support for workforce, epidemiology, use by employers, elementary and secondary schools, child care facilities, institutions of higher education, long-term care facilities, or in other settings, scale up of testing by public health, academic, commercial, and hospital laboratories, and community-based testing sites, health care facilities, and other entities engaged in COVID–19 testing, and other related activities related to COVID–19 testing, contact tracing, surveillance, containment, and mitigation: *Provided further*, That the amount identified in the preceding proviso shall be allocated to States, localities, and territories according to the formula that applied to the Public Health Emergency Preparedness cooperative agreement in fiscal year 2019: *Provided further*, That not less than $500,000,000 shall be allocated in coordination with the Director of the Indian Health Service, to tribes, tribal organizations, urban Indian health organizations, or health service providers to tribes: *Provided further*, That the Secretary of Health and Human Services (referred to in this paragraph as the ''Secretary'') may satisfy the funding thresholds outlined in the first and third provisos under this paragraph in this Act by making awards through other grant or cooperative agreement mechanisms: *Provided further*, That the Governor or designee of each State, locality, territory, tribe, or tribal organization receiving funds pursuant to this title shall update their plans, as applicable, for COVID–19 testing and contact tracing submitted to the Secretary pursuant to the Paycheck Protection Program and Health Care Enhancement Act (Public Law 116–139) and submit such updates to the Secretary not later than 60 days after funds appropriated in this paragraph in this Act have been awarded to such recipient: *Provided further*, That funds an entity receives from amounts described in the first proviso in this paragraph may also be used for the rent, lease, purchase, acquisition, construction, alteration, renovation, or equipping of non-federally owned facilities to improve coronavirus preparedness and response capability at the State and local level: *Provided further*, That such amount is designated by the Congress as being for an emergency requirement pursuant to section 251(b)(2)(A)(i) of the Balanced Budget and Emergency Deficit Control Act of 1985.

For an additional amount for ''Public Health and Social Services Emergency Fund'', $25,000,000,000, to remain available until expended, to prevent, prepare for, and respond to coronavirus, domestically or internationally, which shall be for necessary expenses to reimburse, through grants or other mechanisms, eligible health care providers for health care related expenses or lost revenues that are attributable to coronavirus: *Provided*, That these funds may not be used to reimburse expenses or losses that have been reimbursed from other sources or that other sources are obligated to reimburse: *Provided further*, That recipients of payments under this paragraph shall submit reports and maintain documentation as the Secretary determines are needed to ensure compliance with conditions that are imposed by this paragraph for such payments, and such reports and documentation shall be in such form, with such content, and

in such time as the Secretary may prescribe for such purpose: *Provided further*, That ''eligible health care providers'' means public entities, Medicare or Medicaid enrolled suppliers and providers, and such for-profit entities and not-for-profit entities not otherwise described in this proviso as the Secretary may specify, within the United States (including territories), that provide diagnoses, testing, or care for individuals with possible or actual cases of COVID–19: *Provided further*, That the Secretary of Health and Human Services shall, on a rolling basis, review applications and make payments under this paragraph in this Act: *Provided further*, That funds appropriated under this paragraph in this Act shall be available for building or construction of temporary structures, leasing of properties, medical supplies and equipment including personal protective equipment and testing supplies, increased workforce and trainings, emergency operation centers, retrofitting facilities, and surge capacity: *Provided further*, That, in this paragraph, the term ''payment'' means a pre-payment, prospective payment, or retrospective payment, as determined appropriate by the Secretary: *Provided further*, That payments under this paragraph shall be made in consideration of the most efficient payment systems practicable to provide emergency payment: *Provided further*, That to be eligible for a payment under this paragraph, an eligible health care provider shall submit to the Secretary of Health and Human Services an application that includes a statement justifying the need of the provider for the payment and the eligible health care provider shall have a valid tax identification number: *Provided further*, That, not later than 3 years after final payments are made under this paragraph, the Office of Inspector General of the Department of Health and Human Services shall transmit a final report on audit findings with respect to this program to the Committees on Appropriations of the House of Representatives and the Senate: *Provided further*, That nothing in this section limits the authority of the Inspector General or the Comptroller General to conduct audits of interim payments at an earlier date: *Provided further*, That not later than 60 days after the date of enactment of this Act, the Secretary of Health and Human Services shall provide a report to the Committees on Appropriations of the House of Representatives and the Senate on obligation of funds, including obligations to such eligible health care providers summarized by State of the payment receipt: *Provided further*, That such reports shall be updated and submitted to such Committees every 60 days until funds are expended: *Provided further*, That such amount is designated by the Congress as being for an emergency requirement pursuant to section 251(b)(2)(A)(i) of the Balanced Budget and Emergency Deficit Control Act of 1985.

GENERAL PROVISIONS

(INCLUDING TRANSFER OF FUNDS)

SEC. ____10. Funds appropriated by this subtitle may be used by the Secretary of the Department of Health and Human Services to appoint, without regard to the provisions of sections 3309 through 3319 of title 5 of the United States Code, candidates needed for positions to perform critical work relating to coronavirus for which—

(1) public notice has been given; and

(2) the Secretary of Health and Human Services has determined that such a public health threat exists.

SEC. ____11. Funds made available by this subtitle may be used to enter into contracts with individuals for the provision of personal services (as described in section 104 of part 37 of title 48, Code of Federal Regulations (48 CFR 37.104)) to support the prevention of, preparation for, or response to coronavirus, domestically and internationally, subject to prior notification to the Committees on Appropriations of the House of Representatives and the Senate: *Provided*, That such individuals may not be deemed employees of the United States for the purpose of any law administered by the Office of Personnel Management: *Provided further*, That the authority made available pursuant to this section shall expire on September 30, 2024.

SEC. ____12. (a) If services performed by an employee during 2020 are determined by the head of the agency to be primarily related to preparation, prevention, or response to coronavirus, any premium pay for such services shall be disregarded in calculating the aggregate of such employee's basic pay and premium pay for purposes of a limitation under section 5547(a) of title 5, United States Code, or under any other provision of law, whether such employee's pay is paid on a biweekly or calendar year basis.

(b) Any overtime pay for such services shall be disregarded in calculating any annual limit on the amount of overtime pay payable in a calendar or fiscal year.

(c) With regard to such services, any pay that is disregarded under either subsection (a) or (b) shall be disregarded in calculating such employee's aggregate pay for purposes of the limitation in section 5307 of such title 5.

(d)(1) Pay that is disregarded under subsection (a) or (b) shall not cause the aggregate of the employee's basic pay and premium pay for the applicable calendar year to exceed the rate of basic pay payable for a position at level II of the Executive Schedule under section 5313 of title 5, United States Code, as in effect at the end of such calendar year.

(2) For purposes of applying this subsection to an employee who would otherwise be subject to the premium pay limits established under section 5547 of title 5, United States Code, ''premium pay'' means the premium pay paid under the provisions of law cited in section 5547(a).

(3) For purposes of applying this subsection to an employee under a premium pay limit established under an authority other than section 5547 of title 5, United States Code, the agency responsible for administering such limit shall determine what payments are considered premium pay.

(e) This section shall take effect as if enacted on February 2, 2020.

(f) If application of this section results in the payment of additional premium pay to a covered employee of a type that is normally creditable as basic pay for retirement or any other purpose, that additional pay shall not—

(1) be considered to be basic pay of the covered employee for any purpose; or

(2) be used in computing a lump-sum payment to the covered employee for accumulated and accrued annual leave under section 5551 or section 5552 of title 5, United States Code.

SEC. ____13. The paragraph codified at 42 U.S.C. 231 shall be applied in this and all other fiscal years as though the phrase ''central services'' referred to central services for any Federal agency, and this section shall be effective as if enacted on the date of enactment of such paragraph.

SEC. ____14. Funds appropriated by this subtitle to the heading ''Department of Health and Human Services'' except for the amounts specified in the third, and fourth paragraphs under the heading ''Public Health and Social Services Emergency Fund'', may be transferred to, and merged with, other appropriation accounts under the headings ''Centers for Disease Control and Prevention'', ''Public Health and Social Services Emergency Fund'', ''Administration for Children and Families'', ''Administration for Community Living'', and ''National Institutes of Health'' to prevent, prepare for, and respond to coronavirus following consultation with the Office of Management and Budget: *Provided*, That the Committees on Appropriations of the House of Representatives and the Senate shall be notified 10 days in advance of any such transfer: *Provided further*, That, upon a determination that all or part of the funds transferred from an appropriation by this subtitle are not necessary, such amounts may be transferred back to that appropriation: *Provided further*, That none of the funds made available by this subtitle may be transferred pursuant to the authority in section 205 of division A of Public Law 116–94 or section 241(a) of the PHS Act.

SEC. ____15. Of the funds appropriated by this subtitle under the heading ''Public Health and Social Services Emergency Fund'', up to $6,000,000 shall be transferred to, and merged with, funds made available under the heading ''Office of the Secretary, Office of Inspector General'', and shall remain available until expended, for oversight of activities supported with funds appropriated to the Department of Health and Human Services to prevent, prepare for, and respond to coronavirus, domestically or internationally: *Provided*, That the Inspector General of the Department of Health and Human Services shall consult with the Committees on Appropriations of the House of Representatives and the Senate prior to obligating such funds: *Provided further*, That the transfer authority provided by this section is in addition to any other transfer authority provided by law.

SEC. ____16. Funds made available in Public Law 113–235 to the accounts of the National Institutes of Health that were available for obligation through fiscal year 2015 are to remain available through fiscal year 2021 for the liquidation of valid obligations incurred in fiscal year 2015: *Provided*, That such amount is designated by the Congress as being for an emergency requirement pursuant to section 251(b)(2)(A)(i) of the Balanced Budget and Emergency Deficit Control Act of 1985.

SEC. ____17. Section 675B(b)(3) of the Community Services Block Grant Act (42 U.S.C. 9906(b)(3)) shall not apply with respect to funds appropriated by the Coronavirus Aid, Relief, and Economic Security Act (Public Law 116–136) to carry out the Community Services Block Grant Act (42 U.S.C. 9901 et seq.): *Provided*, That the amounts repurposed in this section that were previously designated by the Congress as an emergency requirement pursuant to the Balanced Budget and Emergency Deficit Control Act of 1985 are designated by the Congress as an emergency requirement pursuant to section 251(b)(2)(A)(i) of the Balanced Budget and Emergency Deficit Control Act of 1985.

Subtitle C—Education

DEPARTMENT OF EDUCATION

EDUCATION STABILIZATION FUND

For an additional amount for ''Education Stabilization Fund'', $105,000,000,000, to remain available through September 30, 2021, to prevent, prepare for, and respond to coronavirus, domestically or internationally: *Provided*, That such amount is designated by the Congress as being for an emergency requirement pursuant to section 251(b)(2)(A)(i) of the Balanced Budget and Emergency Deficit Control Act of 1985.

GENERAL PROVISIONS

EDUCATION STABILIZATION FUND

SEC. ____21. (a) ALLOCATIONS.—From the amount made available under this heading in this Act to carry out the Education Stabilization Fund, the Secretary shall first allocate—

(1) not more than one half of 1 percent to the outlying areas on the basis of the terms and conditions for funding provided under this heading in the Coronavirus Aid, Relief, and Economic Security (CARES) Act (Public Law 116–136); and

(2) one-half of 1 percent for the Secretary of the Interior for programs operated or funded by the Bureau of Indian Education, under the terms and conditions established for funding provided under this heading in the CARES Act (Public Law 116–136).

(b) RESERVATIONS.—After carrying out subsection (a), the Secretary shall reserve the remaining funds made available as follows:

(1) 5 percent to carry out section ___22 of this title.

(2) 67 percent to carry out section ___23 of this title.

(3) 28 percent to carry out section ___24 of this title.

GOVERNOR'S EMERGENCY EDUCATION RELIEF FUND

SEC. ___22. (a) GRANTS.—From funds reserved under section ___21(b)(1) of this title, the Secretary shall make supplemental Emergency Education Relief grants to the Governor of each State with an approved application under section 18002 of division B of the CARES Act (Public Law 116–136). The Secretary shall award funds under this section to the Governor of each State with an approved application within 30 calendar days of enactment of this Act.

(b) ALLOCATIONS.—The amount of each grant under subsection (a) shall be allocated by the Secretary to each State as follows:

(1) 60 percent on the basis of their relative population of individuals aged 5 through 24.

(2) 40 percent on the basis of their relative number of children counted under section 1124(c) of the Elementary and Secondary Education Act of 1965 (referred to under this heading as ''ESEA'').

(c) USES OF FUNDS.—Grant funds awarded under subsection (b) may be used to—

(1) provide emergency support through grants to local educational agencies that the State educational agency deems have been most significantly impacted by coronavirus to support the ability of such local educational agencies to continue to provide educational services to their students and to support the on-going functionality of the local educational agency;

(2) provide emergency support through grants to institutions of higher education serving students within the State that the Governor determines have been most significantly impacted by coronavirus to support the ability of such institutions to continue to provide educational services and support the on-going functionality of the institution; and

(3) provide support to any other institution of higher education, local educational agency, or education related entity within the State that the Governor deems essential for carrying out emergency educational services to students for authorized activities described in section ___23(e) of this title, the ESEA of 1965, the Higher Education Act of 1965, the provision of child care and early childhood education, social and emotional support, career and technical education, adult education, and the protection of education-related jobs.

(d) REALLOCATION.—Each Governor shall return to the Secretary any funds received under this section that the Governor does not award within 6 months of receiving such funds and the Secretary shall reallocate such funds to the remaining States in accordance with subsection (b).

(e) REPORT.—A Governor receiving funds under this section shall submit a report to the Secretary, not later than 6 months after receiving funding provided in this title, in such manner and with such subsequent frequency as the Secretary may require, that provides a detailed accounting of the use of funds provided under this section.

ELEMENTARY AND SECONDARY SCHOOL EMERGENCY RELIEF FUND

SEC. ___23. (a) GRANTS.—From funds reserved under section ___21(b)(2) of this title, the Secretary shall make supplemental elementary and secondary school emergency relief grants to each State educational agency with an approved application under section 18003 of division B of the CARES Act (Public Law 116–136). The Secretary shall award funds under this section to each State educational agency with an approved application within 15 calendar days of enactment of this Act.

(b) ALLOCATIONS TO STATES.—The amount of each grant under subsection (a) shall be allocated by the Secretary to each State in the same proportion as each State received under part A of title I of the ESEA of 1965 in the most recent fiscal year.

(c) SUBGRANTS.—From the payment provided by the Secretary under subsection (b), the State educational agency shall provide services and assistance to local educational agencies and non-public schools, consistent with the provisions of this subtitle. After carrying out the reservation of funds in section ___25 of this title, each State shall allocate not less than 90 percent of the remaining grant funds awarded to the State under this section as subgrants to local educational agencies (including charter schools that are local educational agencies) in the State in proportion to the amount of funds such local educational agencies and charter schools that are local educational agencies received under part A of title I of the ESEA of 1965 in the most recent fiscal year. The state educational agency shall make such subgrants to local educational agencies as follows—

(1) one-third of funds shall be awarded not less than 15 calendar days after receiving an award from the Secretary under this section; and

(2) the remaining two-thirds of funds shall be awarded only after the local educational agency submits to the Governor and the Governor approves a comprehensive school reopening plan for the 2020–2021 school-year, based on criteria determined by the Governor in consultation with the state educational agency (including criteria for the Governor to carry out subparagraph (A) through (C)), that describes how the local educational agency will safely reopen schools with the physical presence of students, consistent with maintaining safe and continuous operations aligned with challenging state academic standards. The Governor shall approve such plans within 30 days after the plan is submitted, subject to the requirements in subparagraphs (A) through (C).

(A) A local educational agency that provides in-person instruction for at least 50 percent of its students where the students physically attend school no less than 50 percent of each school-week, as it was defined by the local educational agency prior to the coronavirus emergency, shall have its plan automatically approved.

(B) A local educational agency that does not provide in-person instruction to any students where the students physically attend school in-person shall not be eligible to receive a subgrant under paragraph (2).

(C) A local educational agency that provides in-person instruction to at least some students where the students physically attend school in-person but does not satisfy the requirements in subparagraph (A) shall have its allocation reduced on a pro rata basis as determined by the Governor.

(d) PLAN CONTENTS.—A school reopening plan submitted to a Governor under subsection (c)(2) shall include, in addition to any other information necessary to meet the criteria determined by the Governor—

(1) A detailed timeline for when the local educational agency will provide in-person instruction, including the goals and criteria used for providing full-time in-person instruction to all students;

(2) A description of how many days of in-person instruction per calendar week the local educational agency plans to offer to students during the 2020–2021 school year; and

(3) An assurance that the local educational agency will offer students as much in-person instruction as is safe and practicable, consistent with maintaining safe and continuous operations aligned with challenging state academic standards.

(e) USES OF FUNDS.—

(1) A local educational agency or non-public school that receives funds under subsection (c)(1) or section ___25 may use funds for any of the following:

(A) Activities to support returning to in-person instruction, including purchasing personal protective equipment, implementing flexible schedules to keep children in isolated groups, purchasing box lunches so that children can eat in their classroom, purchasing physical barriers, providing additional transportation services, repurposing existing school rooms and space, and improving ventilation systems.

(B) Developing and implementing procedures and systems to improve the preparedness and response efforts of local educational agencies or non-public schools including coordination with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to coronavirus.

(C) Providing principals and other school leaders with the resources necessary to address the needs of their individual schools directly related to coronavirus.

(D) Providing additional services to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including how outreach and service delivery will meet the needs of each population.

(E) Training and professional development for staff of the local educational agency or non-public school on sanitation and minimizing the spread of infectious diseases.

(F) Purchasing supplies to sanitize, clean, and disinfect the facilities of a local educational agency or non-public school, including buildings operated by such agency.

(G) Planning for and coordinating during long-term closures, including for how to provide meals to eligible students, how to provide technology for online learning to all students, how to provide guidance for carrying out requirements under the Individuals with Disabilities Education Act (20 U.S.C. 1401 et seq.) and how to ensure other educational services can continue to be provided consistent with all Federal, State, and local requirements.

(H) Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the local educational agency or non-public school that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and students with disabilities, which may include assistive technology or adaptive equipment.

(I) Expanding healthcare and other health services (including mental health services and supports), including for children at risk of abuse or neglect.

(J) Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction or online learning during the summer months and addressing the needs of low-income students, students with disabilities, English learners, migrant students, students experiencing homelessness, and children in foster care.

(2) A local educational agency that receives funds under subsection (c)(2) may use the funds for activities to carry out a comprehensive school reopening plan as described in this section, including:

(A) Purchasing personal protective equipment, implementing flexible schedules to keep children in isolated groups, purchasing box lunches so that children can eat in their classroom, purchasing physical barriers, providing additional transportation services, repurposing existing school rooms and space, and improving ventilation systems.

(B) Developing and implementation of procedures and systems to improve the preparedness and response efforts of local educational agencies or non-public schools, including coordination with State, local, Tribal, and territorial public health departments, and other relevant agencies, to improve coordinated responses among such entities to prevent, prepare for, and respond to coronavirus.

(C) Providing principals and others school leaders with the resources necessary to address the needs of their individual schools.

(D) Providing additional services to address the unique needs of low-income children or students, children with disabilities, English learners, racial and ethnic minorities, students experiencing homelessness, and foster care youth, including how outreach and service delivery will meet the needs of each population.

(E) Training and professional development for staff of the local educational agency or non-public school on sanitation and minimizing the spread of infectious diseases.

(F) Purchasing supplies to sanitize, clean, and disinfect the facilities of a local educational agency or non-public school, including buildings operated by such agency.

(G) Purchasing educational technology (including hardware, software, and connectivity) for students who are served by the local educational agency or non-public school that aids in regular and substantive educational interaction between students and their classroom instructors, including low-income students and students with disabilities, which may include assistive technology or adaptive equipment.

(H) Expanding healthcare and other health services (including mental health services and supports), including for children at risk of abuse or neglect.

(I) Planning and implementing activities related to summer learning and supplemental afterschool programs, including providing classroom instruction during the summer months and addressing the needs of low-income students, students with disabilities, English learners, migrant students, students experiencing homelessness, and children in foster care.

(f) STATE FUNDING.—A State may reserve not more than 5 percent of the funds not otherwise allocated under subsection (c) and section ___25 for administrative costs and the remainder for emergency needs as determined by the state educational agency to address issues responding to coronavirus, which may be addressed through the use of grants or contracts.

(g) ASSURANCES.—A State, state educational agency, or local educational agency receiving funding under this section shall provide assurances, as applicable, that:

(1) A State, State educational agency, or local educational agency will maintain and expand access to high-quality schools, including high-quality public charter schools, and will not—

(A) enact policies to close or prevent the expansion of such schools to address revenue shortfalls that result in the disproportionate closure or denial of expansion of public charter schools that are otherwise meeting the terms of their charter for academic achievement; or

(B) disproportionally reduce funding to charter schools or otherwise increase funding gaps between charter schools and other public schools in the local educational agency.

(2) Allocations of funding and services provided from funds provided in this section to public charter schools are made on the same basis as is used for all public schools, consistent with state law and in consultation with charter school leaders.

(h) REPORT.—A State receiving funds under this section shall submit a report to the Secretary, not later than 6 months after receiving funding provided in this title, in such manner and with such subsequent frequency as the Secretary may require, that provides a detailed accounting of the use of funds provided under this section.

(i) REALLOCATION.—A State shall return to the Secretary any funds received under this section that the State does not award within 4 months of receiving such funds and the Secretary shall deposit such funds into the general fund of the Treasury.

(j) RULE OF CONSTRUCTION.—

(1) The receipt of any funds authorized or appropriated under this section, including pursuant to section ___25 of this Act, by a nonprofit entity, or by any individual who has been admitted or applied for admission to such entity (or any parent or guardian of such individual), shall not be construed to render such entity or person a recipient of Federal financial assistance for any purpose, nor shall any such person or entity be required to make any alteration to its existing programs, facilities, or employment practices except as required under this section.

(2) No State participating in any program under this section, including pursuant to section ___25 of this Act, shall impose any penalty or additional requirement upon, or otherwise disadvantage, such entity or person as a consequence or condition of its receipt of such funds.

(3) No State participating in any program under this section shall authorize any person or entity to use any funds authorized or appropriated under this section, including pursuant to section ___25 of this Act, except as provided by subsection (e), nor shall any such State impose any limits upon the use of any such funds except as provided by subsection (e).

HIGHER EDUCATION EMERGENCY RELIEF FUND

SEC. ___24. (a) IN GENERAL.—From funds reserved under section ___21(b)(3) of this title the Secretary shall allocate amounts as follows:

(1) 85 percent to each institution of higher education described in section 101 or section 102(c) of the Higher Education Act of 1965 to prevent, prepare for, and respond to coronavirus, by apportioning it—

(A) 90 percent according to the relative share of full-time equivalent enrollment of Federal Pell Grant recipients who were not exclusively enrolled in distance education courses prior to the coronavirus emergency; and

(B) 10 percent according to the relative share of full-time equivalent enrollment of students who were not Federal Pell Grant recipients who were not exclusively enrolled in distance education courses prior to the coronavirus emergency.

(2) 10 percent for additional awards under parts A and B of title III, parts A and B of title V, and subpart 4 of part A of title VII of the Higher Education Act to address needs directly related to coronavirus, that shall be in addition to awards made in section ___24(a)(1) of this title, and allocated by the Secretary proportionally to such programs based on the relative share of funding appropriated to such programs in the Further Consolidated Appropriations Act, 2020 (Public Law 116–94) and distributed to eligible institutions of higher education, except as otherwise provided in subparagraphs (A)–(D), on the basis of the formula described in section ___24(a)(1) of this title:

(A) Except as otherwise provided in subparagraph (B), for eligible institutions under part B of title III and subpart 4 of part A of title VII of the Higher Education Act, the Secretary shall allot to each eligible institution an amount using the following formula:

(i) 70 percent according to a ratio equivalent to the number of Pell Grant recipients in attendance at such institution at the end of the school year preceding the beginning of the most recent fiscal year and the total number of Pell Grant recipients at all such institutions;

(ii) 20 percent according to a ratio equivalent to the total number of students enrolled at such institution at the end of the school year preceding the beginning of that fiscal year and the number of students enrolled at all such institutions; and

(iii) 10 percent according to a ratio equivalent to the total endowment size at all eligible institutions at the end of the school year preceding the beginning of that fiscal year and the total endowment size at such institutions;

(B) For eligible institutions under section 326 of the Higher Education Act, the Secretary shall allot to each eligible institution an amount in proportion to the award received from funding for such institutions in the Further Consolidated Appropriations Act, 2020 (Public Law 116–94);

(C) For eligible institutions under section 316 of the Higher Education Act, the Secretary shall allot funding according to the formula in section 316(d)(3) of the Higher Education Act; and

(D) Notwithstanding section 318(f) of the Higher Education Act, for eligible institutions under section 318 of the Higher Education Act, the Secretary shall allot funding according to the formula in section 318(e) of the Higher Education Act.

(3) 5 percent for grants to institutions of higher education that the Secretary determines, through an application process and after allocating funds under paragraphs ___24(a)(1) and (2) of this Act, have the greatest unmet needs related to coronavirus. In awarding funds to institutions of higher education under this paragraph the Secretary shall prioritize institutions of higher education—

(A) described under title I of the Higher Education Act of 1965 that were not eligible to receive an award under section ___24(a)(1) of this title, including institutions described in section 102(b) of the Higher Education Act of 1965; and

(B) that otherwise demonstrate significant needs related to coronavirus that were not addressed by funding allocated under subsections (a)(1) or (a)(2) of this section.

(b) DISTRIBUTION.—The funds made available to each institution under subsection (a)(1) shall be distributed by the Secretary

using the same systems as the Secretary otherwise distributes funding to each institution under title IV of the Higher Education Act of 1965 (20 U.S.C. 1001 et seq.).

(c) USES OF FUNDS.—An institution of higher education receiving funds under this section may use the funds received to:

(1) defray expenses associated with coronavirus (including lost revenue, reimbursement for expenses already incurred, technology costs associated with a transition to distance education, faculty and staff trainings, and payroll); and

(2) provide financial aid grants to students (including students exclusively enrolled in distance education), which may be used for any component of the student's cost of attendance or for emergency costs that arise due to coronavirus.

(d) SPECIAL PROVISIONS.—

(1) A Historically Black College and University or a Minority Serving Institution may use prior awards provided under titles III, V, and VII of the Higher Education Act to prevent, prepare for, and respond to coronavirus.

(2) An institution of higher education receiving funds under section 18004 of division B of the CARES Act (Public Law 116–136) may use those funds under the terms and conditions of section ___24(c) of this Act. Amounts repurposed pursuant to this paragraph that were previously designated by the Congress as an emergency requirement pursuant to the Balanced Budget and Emergency Deficit Control Act of 1985 are designated by the Congress as an emergency requirement pursuant to section 251(b)(2)(A)(i) of the Balanced Budget and Emergency Deficit Control Act of 1985.

(3) No funds received by an institution of higher education under this section shall be used to fund contractors for the provision of pre-enrollment recruitment activities; endowments; or capital outlays associated with facilities related to athletics, sectarian instruction, or religious worship.

(4) An institution of higher education that was required to remit payment to the Internal Revenue Service for the excise tax based on investment income of private colleges and universities under section 4968 of the Internal Revenue Code of 1986 for tax year 2019 shall have their allocation under this section reduced by 50 percent and may only use funds for activities described in paragraph (c)(2). This paragraph shall not apply to an institution of higher education designated by the Secretary as an eligible institution under section 448 of the Higher Education Act of 1965.

(e) REPORT.—An institution receiving funds under this section shall submit a report to the Secretary, not later than 6 months after receiving funding provided in this title, in such manner and with such subsequent frequency as the Secretary may require, that provides a detailed accounting of the use of funds provided under this section.

(f) REALLOCATION.—Any funds allocated to an institution of higher education under this section on the basis of a formula described in subsection (a)(1) or (a)(2) but for which an institution does not apply for funding within 60 days of the publication of the notice inviting applications, shall be reallocated to eligible institutions that had submitted an application by such date.

ASSISTANCE TO NON-PUBLIC SCHOOLS

SEC. ___25. (a) FUNDS AVAILABILITY.—From the payment provided by the Secretary under section ___23 of this title to a State educational agency, the State educational agency shall reserve an amount of funds equal to the percentage of students enrolled in non-public elementary and secondary schools in the State prior to the coronavirus emergency. Upon reserving funds under this section, the Governor of the State shall award such funds equally to each non-public school accredited or otherwise located in and licensed to operate in the State based on the number of low-income students enrolled in the non-public school as a share of all low-income students enrolled in non-public elementary and secondary schools in the State prior to the coronavirus emergency, subject to the requirements in subsection (b).

(b)(1) A non-public school that provides in-person instruction for at least 50 percent of its students where the students physically attend school no less than 50 percent of each school-week, as determined by the non-public school prior to the coronavirus emergency, shall be eligible for the full amount of assistance per student as prescribed under this section.

(2) A non-public school that does not provide in-person instruction to any students where the students physically attend school in-person shall only be eligible for one-third of the amount of assistance per student as prescribed under this section.

(3) A non-public school that provides in-person instruction to at least some students where the students physically attend school in-person but does not satisfy the requirements in paragraph (1) shall have its amount of assistance as prescribed under this section reduced on a pro rata basis, which shall be calculated using the same methodology as is used under section ___23(c)(2)(C) of this title.

(4) A Governor shall allocate not less than 50 percent of the funds reserved in this section to non-public schools within 30 days of receiving an award from the Secretary and the remaining 50 percent not less than 4 months after receiving an award from the Secretary.

CONTINUED PAYMENT TO EMPLOYEES

SEC. ___26. A local educational agency, State, institution of higher education, or other entity that receives funds under ''Education Stabilization Fund'', shall to the greatest extent practicable, continue to pay its employees and contractors during the period of any disruptions or closures related to coronavirus.
