NATIONAL SEERSUCKER DAY

Mr. CASSIDY. Mr. President, today I rise in recognition of seersucker manufacturers and enthusiasts across the United States. I wish everyone a Happy National Seersucker Day. This uniquely American fashion has a storied history dating back to 1909. The first seersucker suit was designed by Joseph Haspel at his Broad Street facility in New Orleans, LA. Louisiana is proud to have played an important part in introducing the country to seersucker apparel.

This lightweight cotton fabric, known for its signature pucker, has been worn and enjoyed by Americans across the country during the hot summer months. Mr. Haspel said it best: ''Hot is hot, no matter what you do for a living.''

In the 1990s, Seersucker Day was established by Members of this Chamber to honor this unique American fashion. I proudly resumed this tradition in 2014 in the U.S. House of Representatives and continued this tradition in the U.S. Senate. This year, I wish to designate June 13 as the seventh annual National Seersucker Day. I encourage everyone to wear seersucker on this day to commemorate this traditionally American clothing.
