STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTION

By Ms. COLLINS (for herself and Mr. CARDIN):

S. 4854. A bill to provide payments for home health services furnished via visual or audio telecommunication systems during an emergency period; to the Committee on Finance.

Ms. COLLINS. Mr. President, I rise today. along with my colleague Senator CARDIN, to introduce the Home Health Emergency Access to Telehealth Act or Heat Act. This bipartisan bill would help ensure that seniors who rely on home health care have the choice to receive these critical services through telehealth during the COVID–19 pandemic and future public health emergencies.

COVID–19 is the greatest public health challenge since the flu pandemic of 1918 and has claimed the lives of more than 200,000 Americans. This public health emergency has underscored the need for older adults and other at-risk populations to have access to health care in the home setting. Home-based care is crucial to ensuring that this pandemic does not create devastating long-term health consequences due to delayed care. The highly skilled and compassionate care that home health agencies provide are an important component of this inhome care.

I have been a strong supporter of home care since my very first home visit, which took place in my hometown in Aroostook County early in my Senate service. This experience gave me the opportunity to meet and visit with home health patients, where I saw first-hand what a difference highly skilled and caring visiting nurses and other health care professionals make to the lives of patients and their families. I have been a passionate advocate for home care ever since.

In March, my bipartisan home health legislation, the Home Health Care Planning Improvement Act, became law as part of the Coronavirus Aid, Relief, and Economic Security (CARES) Act. This new law will improve the access Medicare beneficiaries have to home health care by allowing physician assistants, nurse practitioners, clinical nurse specialists, and certified
