AUTHORIZING THE CLERK TO MAKE CORRECTIONS IN ENGROSSMENT OF H.R. 2467, PFAS ACTION ACT OF 2021

Mr. TONKO. Madam Speaker, I ask unanimous consent that, in the engrossment of H.R. 2467, the Clerk be authorized to correct section numbers, punctuation, spelling, and cross-references, and to make such other technical and conforming changes as may be necessary to reflect the actions of the House, including striking lines 13 through 23 on page 20.

The SPEAKER pro tempore (Ms. LEGER FERNANDEZ). Is there objection to the request of the gentleman from New York?

There was no objection.

RECOGNIZING THE CONTRIBUTIONS OF PAM HOWELL-BEACH TO GREATER TOLEDO

(Ms. KAPTUR asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. KAPTUR. Madam Speaker, I rise today to recognize and pay tribute to the contributions of Pam Howell-Beach to the greater Toledo community.

During her tenure with the Toledo Community Foundation, Pam guided the organization to a strong financial future, increasing its assets by over $80 million.

Later, as executive director of the Stranahan Foundation, Pam oversaw grant distributions of more than $71 million to organizations working in education, health, and the arts.

Pam's leadership in the nonprofit world was as wide as it was appreciated and as big as her heart. From working with the Zonta Club of Toledo, Philanthropy Ohio, Ability Center of Greater Toledo, and Mercy Health Partners, to the Early Childhood Funders Collaborative, and Susan G. Komen Foundation, her impassioned service touched the lives of thousands upon thousands of Toledoans.

As Pam confronts a challenging health situation, I want to convey, on behalf of all Toledoans, how grateful we are for her work, her life, her dedication and her love for community. We are all the better as a result of her lifelong commitment to others.

Madam Speaker, I thank Pam, and may God bless her today and always.

CONGRESS MUST KEEP THE BIPARTISAN SPIRIT

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, throughout this Congress, the House Agriculture Committee has had countless discussions on ways that we can empower our farm families and build a robust rural economy.

Earlier this month, we made good on our word. I am proud to be able to work with all members of our committee and support the Broadband Internet Connections for Rural America Act, which provides significant investments into the deployment and development of broadband to rural America.

This legislation reflects many of our shared priorities and shared work. And in many ways, it is similar to the bipartisan legislation I introduced earlier this year.

I thank all of the members of the Agriculture Committee for their work and enthusiasm to meet the needs of rural Americans. I know this issue is so personal for each of us and the constituents we represent.

The House Agriculture Committee is often considered the most bipartisan committee in the House. This markup bill is proof that we can still reach an agreement under extraordinary times, and I hope we can keep this bipartisan spirit as infrastructure talks continue.

200 DAYS OF DEMOCRATS WORKING TO BUILD BACK BETTER

(Ms. JACOBS of California asked and was given permission to address the House for 1 minute.)

Ms. JACOBS of California. Madam Speaker, today marks 200 days of this Congress; 200 days of House Democrats working to build back better.

Madam Speaker, our constituents want us to meet this moment.

That is why we have passed historic legislation to strengthen our democracy, ensure equal pay, guarantee the rights of LGBTQ-plus Americans, advance racial justice, prioritize gun safety and more.

We started this Congress by passing the American Rescue Plan, a historic investment in workers and families that included the expanded and improved child tax credit, one of the most important antipoverty measures of this generation.

Last week, I met with parents in Chula Vista who had tears in their eyes talking about what a difference the new child tax credit would make for their families.

They talked about not only being able to pay for rent and childcare and school supplies, but also for the first time being able to start saving for their kids to go to college.

Madam Speaker, that is worth celebrating, and it is worth protecting.

Let's build on the progress we have made, make permanent the expanded child tax credit, and make sure American families truly can build back better.

REQUEST TO CONSIDER H.R. 18, NO TAXPAYER FUNDING FOR ABORTION ACT

(Mr. ROSE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. ROSE. Madam Speaker, the right to life is one of the founding principles of our Nation. Every human being, born or unborn, is entitled to life, liberty and the pursuit of happiness.

Yet today, we see this right under attack as the Biden administration continues their war on the unborn by seeking to remove the Hyde amendment, a
