THE SENATE SHOULD PASS VOTING RIGHTS LEGISLATION

(Ms. UNDERWOOD asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. UNDERWOOD. Mr. Speaker, I rise to urge the Senate to protect our fundamental right to vote.

Communities of color are disproportionately targeted by the wave of voter suppression laws we have seen across America. These attacks are just the latest battle in the centuries-long, racially fueled war on voting rights in our country.

But the right to vote is foundational to our democracy. Without it, we would cease to be a government of, by, and for the people.

This is a life-and-death issue for America itself. The late Congressman John Lewis wrote that ''Democracy is not a state. It is an act.''

I urge my colleagues in the Senate to act, to prioritize democracy and ensure access to the ballot box is not undermined. I urge them to send voting rights legislation to President Biden's desk to be signed into law.

CELEBRATING NATIONAL PHARMACISTS DAY

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Mr. Speaker, I rise today in honor of a very important day we are celebrating today, National Pharmacists Day.

Today we take time to recognize and appreciate all of our communities' pharmacists and everything that they do for their patients.

During the pandemic, pharmacists joined with the frontline workers to help alleviate the pandemic by distributing lifesaving medicines to their patients.

Pharmacists are an integral part of each and every community. They keep people safe and healthy.

As a pharmacist, I am proud to take time today to recognize and honor my colleagues nationwide. In a world where our frontline workers are heroes, we must not forget those who bond with their patients and ensure lifesaving and correct dosages are being distributed properly.

I am proud of my time spent as a pharmacist, and I am very grateful for my colleagues and what they do to better their communities.

Take time today to thank your local pharmacist and appreciate all that they do. Thank you all for your service to our towns, our cities, and our States.

MOVING THE ECONOMY FORWARD

(Mr. SCHNEIDER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. SCHNEIDER. Mr. Speaker, I rise to reflect on the remarkable progress of our Nation's economy over the previous 12 months in what I suspect history will label the Biden boom.

The progress achieved in 2021, helped along by the American Rescue Plan, is unmatched in American history. Our economy is growing at its fastest rate in 40 years. The Nation added 6.4 million new jobs, and unemployment is now at 3.9 percent, representing the sharpest ever 1-year decline.

J.P. Morgan CEO Jamie Dimon recently said: ''The consumer balance sheet has never been in better shape,'' predicting continued extraordinary growth.

A Bloomberg analysis found that President Biden's first year is ranked either first or second among Presidents for, among other things, GDP growth, S&P 500 performance, nonfarm payrolls, manufacturing jobs, and business productivity.

I recognize we still have real challenges, including worker shortages, supply chain disruptions, and inflation. But working together, Congress and President Biden are positioned to move our economy forward and get us through this pandemic stronger than when we went in.

Whether Republican, Democrat, Independent, or anything else, every American should be celebrating the resilience of the American spirit.

HONORING THE LIFE OF LOU GALLIKER

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Mr. Speaker, I rise today to honor the life of Lou Galliker, the longtime president of Galliker Dairy Company, who passed away in December surrounded by his family. He was 87 years old.

The Galliker Dairy Company is a third-generation, family-owned, regional dairy company headquartered in Johnstown, Pennsylvania, since 1914. Lou was chairman and president for more than half a century. He turned his family's dairy business into one of the largest enterprises in the Commonwealth of Pennsylvania and the mid-Atlantic region.

Galliker Dairy distributes ice cream, milk, iced tea, and other beverages throughout several States.

Mr. Speaker, Lou was a giant of the dairy world who served as a board
