Times Beach, to help restore public access that was lost in storm damage 2 years ago, and to reduce the influence of that kind of damage from happening in the future.

This funding builds on previous Federal Great Lakes and infrastructure investments that are transforming Buffalo's waterfront and revitalizing the western New York community.

CONGRATULATING RIVERHEADS HIGH SCHOOL FOOTBALL TEAM

(Mr. CLINE asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CLINE. Madam Speaker, high school athletics play an important role in the lives of so many young people in the communities that they live in, which is why I have a policy of speaking from the floor to congratulate my district's State championship teams.

Today, I am here to honor the Riverheads High School football team, which won the VHSL Class 1 State title last month. Not only did the Gladiators best their opponent by an impressive 45–14 point margin, but this victory marked the team's sixth consecutive State championship, the only football program in VHSL history to accomplish such a feat.

And if that weren't monumental enough, the game was also the team's 50th straight win, which is the longest active winning streak in our Nation.

For the past 26 years, this team has been led by Coach Robert Casto, who has sadly announced that he will be retiring at the end of the school year. Coach Casto's remarkable coaching career comes to an end with an overall record of 59 losses and 261 wins, including nine State championships.

Madam Speaker, it is a pleasure to recognize this talented football team and their remarkable coach. Go Gladiators.

DEMOCRATS HAVE DELIVERED FOR THE PEOPLE

(Mr. LIEU asked and was given permission to address the House for 1 minute.)

Mr. LIEU. Madam Speaker, last year Democrats passed the American Rescue Plan that provided funding to schools so they could reopen, funding to cities and States so that first responders, municipal employees, and county employees didn't get laid off, and it got stimulus checks to the American people.

As a result, we were able to have over 6 million jobs created since January 20, 2020, and the lowest unemployment rate now in nearly 50 years.

However, with the opening of our economies across the world, inflation has happened, including in the United States, and that is why I am so pleased that the Biden administration has announced $14 billion to go to 500 Army Corps of Engineers projects, including at ports to help with supply chain issues. By making sure we can move goods faster and easier and to address these supply chain issues, we will reduce the cost of goods, and that was because Democrats also passed the infrastructure law. Democrats have delivered for the people.

SANITY MAY BE RETURNING

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Madam Speaker, in a political environment where even Democrats have cited the Biden agenda as fiscal insanity, it is reassuring sanity may be returning with the Democrat Washington Post last Tuesday and Thursday being remarkably sane.

On Tuesday, the lead editorial correctly reviewed, ''President Biden is facing mounting criticism for inflation's rise to its highest level since 1982. Unfortunately, the White House's latest response is to blame greedy businesses. Economists across the political spectrum are rightly calling out the White House for this foolishness.''

On Thursday, front-page headlines were shocking: Inflation for 2021 highest in 40 years. Trend expected to last for months. Prices become potent political threat to Biden.

The Democrat elite think they are smarter than everyone and think Democrat voters and Democrat media are ignorant to believe that trillion-dollar spending costs zero dollars.

In conclusion, God bless our troops who successfully protected America for 20 years, as the global war on terrorism continues, moving from the Afghanistan safe haven to America, as sadly we saw with the suicide bomber who attacked the synagogue in Texas on Saturday.

HONORING THE LIFE OF DEPUTY SHERIFF SEAN RILEY

(Mrs. MILLER of Illinois asked and was given permission to address the House for 1 minute.)

Mrs. MILLER of Illinois. Madam Speaker, I rise today to honor the life and service of Wayne County Deputy Sheriff Sean Riley.

Our communities in Illinois and across the Nation continue to mourn the loss of our fallen hero.

Deputy Riley was called home to be with the Lord on December 29, 2021. He was on duty, responding to assist a motorist when he was shot and killed.

May God continue to comfort this family as they grieve this awful loss. Wayne County Sheriff Otey said, ''The only thing Sean cared about more than being a deputy was his family.''

Please join me in prayer for the family of Deputy Sean Riley, the Wayne County Sheriff's Department, and our community in Illinois.

Blessed are the peacemakers, for they shall be called the sons of God.

RIGHT TO LIFE MARCH

(Mr. TAYLOR asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. TAYLOR. Madam Speaker, today I rise to stand in solidarity with the many Americans, including my own constituents from Texas' Third Congressional District, who are here at our Nation's Capital to march for the right to life.

As a father of three wonderful daughters, I know how precious every stage of life is, and I believe it should be protected at every stage.

Every year, I am awed by the outpouring of love and passion so many Texans show by traveling to Washington and voicing their support for sanctity of life. Even more travel to our state capital in Austin to advance the cause in our local communities.

Your engagement is humbling, and it gives me faith that we can become the pro-life generation.

I urge my colleagues to join me in recognizing the pro-life and faith leaders here in our Nation's Capital and join in fighting to protect innocent human life.

CONGRATULATING GEORGIA BULLDOGS FOOTBALL TEAM

(Mrs. GREENE of Georgia asked and was given permission to address the House for 1 minute.)

Mrs. GREENE of Georgia. Madam Speaker, I am very excited to announce H. Res. 872, which has bipartisanship. The entire Georgia delegation has signed on congratulating the University of Georgia Bulldogs football team for winning the 2022 National Collegiate Athletic Association College Football Playoff National Championship. Go Dawgs.

We are also excited, and I am honored to have everyone's signature on this House resolution honoring the University of Georgia and their great championship win this year in 2022 and Coach Kirby Smart for leading the team to victory this year.

We just want to continue to share our excitement in Georgia, congratulating the University of Georgia.

CONCERNED PARENTS ARE NOT DOMESTIC TERRORISTS

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Madam Speaker, concerned parents have a God-given right to make decisions for their child's best interests, not the Federal Government, the Biden administration, or teachers' unions.

Yet, Education Secretary Cardona colluded with private parties to get the FBI to investigate concerned parents and worked with the National School Boards Association to brand the concerned parents involved as domestic terrorists.
