REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.R. 3287

Mr. CAREY. Mr. Speaker, I hereby remove my name as cosponsor from H.R. 3287.

The SPEAKER pro tempore. The gentleman's request is accepted.

NORTH CAROLINA IS AMERICA'S TOP STATE FOR BUSINESS

(Ms. MANNING asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. MANNING. Madam Speaker, I rise today to celebrate a recent milestone in my home State of North Carolina. CNBC just recognized North Carolina as America's Top State for Business in 2022.

Thanks to the American Rescue Plan and bipartisan infrastructure law, North Carolina's economy persevered through the pandemic and is continuing to grow rapidly.

Major companies like Toyota and Boom Supersonic Jets are building innovative manufacturing operations in North Carolina's Sixth District, proving that we have what businesses want.

With a well-equipped workforce, investments in infrastructure and research, and stellar institutions of higher education, it is no surprise that North Carolina is garnering national recognition for its business-friendly climate and strong economy.

I thank Governor Cooper for his leadership. I will continue to work with our elected officials and businesses to ensure that North Carolina remains the strongest economic State in the country.

RECOGNIZING THE RUTH M. SMITH CENTER

(Mr. THOMPSON of Pennsylvania asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. THOMPSON of Pennsylvania. Madam Speaker, I rise today to recognize the Ruth M. Smith Center in Sheffield, Pennsylvania, for 100 years of service to their community.

The Ruth M. Smith Center has been supporting the community of Sheffield since 1922 when the Smith family gave their home to the Women's Society of Christian Service. Since then, the home has served as an orphanage, a daycare preschool, and as a personal care home for adults with intellectual and physical impairments as well as older adults.

The center is a staple of the Sheffield community as it continues to provide support and assistance to those who need care beyond the basic necessities of food and shelter.

As a nonprofit association, the Ruth M. Smith Center is able to support those who cannot afford the costs of care through donations by individuals, churches, and State grants.

Madam Speaker, the Ruth M. Smith Center is a testament to the power of community groups to uplift those most in need of support. It is a privilege to congratulate them on their continued service to Sheffield, Pennsylvania.

REPORT FROM ROBB ELEMENTARY SCHOOL SHOOTING

(Ms. JACKSON LEE asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. JACKSON LEE. Madam Speaker, I hold in my hand the interim report 2022 Investigative Committee on the Robb Elementary School Shooting. Tragically, I was there within days of the shooting in May. Tragically, I got to listen to parents whose children bled out. All of us know the story of a little girl who smeared blood on herself just to have them think she was dead.

Part of what this report says is at Robb Elementary School, law enforcement responders failed to adhere to their active shooter training, and they failed to prioritize saving the innocent victims over their own safety. There was no command post, as this report says, and there was no point of command.

But really I think what is important is that we are due for Federal involvement, as I have called. It is time now to give answers to our community. And let me simply say the words that struck me in this executive summary: We recognize that the impact of this tragedy is felt more profoundly by the people of Uvalde in ways we cannot fully comprehend. Their children are dead, and we have no answers, and there are people who failed to save the children's lives.

I call for a congressional investigation and hearings so that we can give them solutions and not just concerns. They need it, because their children's lives are lost.

DEMOCRATS' FAILED ECONOMIC POLICIES

(Mr. COMER asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. COMER. Madam Speaker, today, I rise to discuss yet another disastrous
