Subject: Conversation with James
Importance: High

[redacted],

We would like to set up a call with [redacted] to discuss the potential option of having our team take over the front end application acceptance, processing, and decisioning (recommendations) for the COVID-19 EIDLs.

We have some internal conversations going on this morning to firm up our plan, but want to get something on the calendar with you as soon as possible.

Please let us know your availability.

Regards,
Errin
