Hi Toya,

I found the loan application for Sara and it is still in the KYC review process on our side so it has not hit the lender routing logic yet. We will make sure that our team routes it to you for processing when it hits that stage.

Please let me know if you need anything else.

We don't know where it went or what happens. She did not realize that our site was only linked to the Fastlane and not to 2nd draws. How can we retrieve her and not get it to go to another lender?

Thank you,
