CONSENT MOTION TO CONTINUE

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, respectfully files this consent motion to continue the status hearing scheduled for August 22, 2025, to a date 90 days in the future.

The government filed a criminal information in this case after Mr. McIntrye provided signed plea paperwork, admitting to violating 18 U.S.C. § 1349. On August 18, 2025, Mr. McIntyre informed the government, through counsel, that he no longer wished to plead guilty and instead wanted a trial. Accordingly, the government will need to indict the case.

Given that the government needs to indict the case and provide the defendant with discovery, the government moves to continue the status hearing currently scheduled for August 22, 2025. The government has conferred with the defense, who consents to a continuance so that Mr. McIntyre may be formally charged and receive full discovery. Both parties do not oppose the exclusion of time under the Speedy Trial Act until the new date. Such exclusion is in the interest of justice, as the government needs to formally charge the defendant and provide full discovery and the defense needs to review the charges against Mr. McIntyre and review discovery.

Respectfully submitted,

JEANINE FERRIS PIRRO
UNITED STATES ATTORNEY
