CONSENT MOTION TO CONTINUE

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, respectfully files this consent motion to continue the status hearing scheduled for November 21, 2025, to a date 60 days in the future.

The government filed a criminal information in this case after Mr. McIntrye provided signed plea paperwork, admitting to violating 18 U.S.C. § 1349. On August 18, 2025, Mr. McIntyre informed the government, through counsel, that he no longer wished to plead guilty and instead wanted a trial.

The government has conferred with the defense, who indicated Mr. McIntyre's interest in exploring the possibility of a pretrial resolution. Additionally, should Mr. McIntyre not wish to resolve the case, the government will need to indict Mr. McIntyre prior to trial. Mr. McIntyre's counsel indicated that he consents to a continuance so that Mr. McIntyre may explore a resolution or otherwise be formally charged. Both parties do not oppose the exclusion of time under the Speedy Trial Act until the new date. Such exclusion is in the interest of justice, as the parties need to continue plea discussions. If those negotiations are unsuccessful, the government needs to formally charge the defendant and provide full discovery. Additionally, the defense will need time to review the charges against Mr. McIntyre and review discovery.

Respectfully submitted,

JEANINE FERRIS PIRRO
UNITED STATES ATTORNEY
