CONSENT MOTION TO CONTINUE

The United States of America, by and through its attorney, the United States Attorney for the District of Columbia, respectfully files this consent motion to continue the status hearing scheduled for January 21, 2026, to a date 60 days in the future.

The government filed a criminal information in this case after Mr. McIntrye provided signed plea paperwork, admitting to violating 18 U.S.C. § 1349. On August 18, 2025, Mr. McIntyre informed the government, through counsel, that he no longer wished to plead guilty and instead wanted a trial.

On November 18, 2025, the Court granted a consent motion to continue the status conference until January 21, 2026. Since that the time, the primary AUSA assigned to the matter has left government service and undersigned counsel is leaving government service on January 30, 2026. The United States Attorney's Office is in the process of assigning new counsel to this matter.

The government has conferred with the defense and asked whether Mr. McIntyre might still be interested in exploring the possibility of a pretrial resolution. Additionally, should Mr. McIntyre not wish to resolve the case, the government will need to indict Mr. McIntyre prior to

trial. Mr. McIntyre's counsel indicated that he consents to a continuance so that Mr. McIntyre may explore a resolution or otherwise be formally charged. Both parties do not oppose the exclusion of time under the Speedy Trial Act until the new date. Such exclusion is in the interest of justice, as the parties need to continue plea discussions. If those negotiations are unsuccessful, the government needs to formally charge the defendant and provide full discovery. Additionally, the defense will need time to review the charges against Mr. McIntyre and review discovery. We do not expect a further continuance will be required.
