UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF FLORIDA
ORLANDO DIVISION

UNITED STATES OF AMERICA
Plaintiff,

v.

EMMET BOWENS, a/k/a Emmitt Bowens,
Defendant

Case No.: 6:21-cr-00141-RBD-EJK

EMERGENCY MOTION FOR REVIEW OF DETENTION ORDER

Pursuant to 18 U.S.C. §3145(b)

Defendant Emmet Bowens, appearing pro se, respectfully moves this Court pursuant to 18 U.S.C. §3145(b) for review of the detention order currently keeping Defendant incarcerated.

Under 18 U.S.C. §3145(b), a person ordered detained by a magistrate judge may file a motion with the district court seeking revocation or amendment of the detention order.

Defendant asserts that continued detention violates the Bail Reform Act and the United States Constitution because conditions of release exist that can reasonably assure both the Defendant's appearance and the safety of the community.

FACTUAL BASIS

Defendant was arrested on December 10, 2024 for an alleged pretrial violation. Defendant has not been convicted of the alleged violation yet remains incarcerated.

LEGAL ARGUMENT

Pretrial detention is intended to be regulatory rather than punitive. See United States v. Salerno, 481 U.S. 739 (1987).

Under the Bail Reform Act, detention is only appropriate when no combination of conditions can reasonably assure the defendant's appearance and the safety of the community. 18 U.S.C. §3142.

Continued detention without adequate justification also raises serious constitutional concerns under the Fifth Amendment Due Process Clause.

RELIEF REQUESTED

WHEREFORE, Defendant respectfully requests that this Court:

1. Review the existing detention order;
2. Revoke or amend the detention order;
3. Order Defendant released on bond or personal recognizance subject to reasonable conditions of release; and
4. Grant any other relief the Court deems just and proper.

Respectfully submitted,

Emmet Bowens a/k/a Emmitt Bowens
Defendant, Pro Se
