UNITED STATES DISTRICT COURT
MIDDLE DISTRICT OF FLORIDA
ORLANDO DIVISION

UNITED STATES OF AMERICA

v. Case No. 6:21-cr-141-RBD-NWH

EMMET BOWENS

ORDER

Before the Court are the *pro se* Defendant's motion to dismiss the indictment and various motions seeking pre-trial release. (Docs. 237–40.)

As to the motion to dismiss, Defendant argues that the Government violated the Speedy Trial Act. (Doc. 237.) The Court has already rejected this argument. (*See* Doc. 209, pp. 2–3; Doc. 193; Doc. 218.) The lengthy delay between indictment and trial was largely due to Defendant's conduct, not inaction by the Government.

As to the motions for pre-trial release, Defendant is detained pending sentencing under 18 U.S.C. § 3143(a) following his guilty plea. (*See* Doc. 222.) So his request for "pre-trial" release is inapposite because the Court adjudicated him guilty. (*See id.*)

Accordingly, it is **ORDERED AND ADJUDGED** that Defendant's motions (Docs. 237–40) are **DENIED**.

DONE AND ORDERED in Chambers in Orlando, Florida, on April 30, 2026.

ROY B. DALTON, JR.
United States District Judge
