Exhibit A

FD-302 (Rev. 5-8-10)

FEDERAL BUREAU OF INVESTIGATION

Date of entry 12/10/2021

Linda Wray, date of birth [redacted] social security account number [redacted], was contacted at her residence, [redacted]. After being advised of the identity of the interviewing Agent and the nature of the interview, Wray provided the following information:

Wray does not know the identity of the current resident of 246 Fairway Trace Drive, which is the house immediately to the left of Wray's house as one faces Wray's house. The current resident is a white male who drives a grey pickup truck and who moved in a couple of months ago.

The previous resident was a black male whom she rarely saw. He probably moved into 246 Fairway Trace Drive about a year ago but moved out around 6 months ago. Wray did not see any females living at the residence with him. On more than one occasion, Wray noticed delivery packages were stacked up on his front porch. On one occasion, she went over to the front porch and noticed an eviction notice had been placed on his front door.

Wray was sixty percent to seventy percent sure a photograph of Emmet Bowens shown to her was of the male who had lived next door at 246 Fairway Trace Drive but who had left about six months ago.

Prior to the black male previously living at 246 Fairway Trace Drive and the white male currently living there, a young couple had owned the house. They sold it to a realty company a little over a year ago, and it has been a rental property since then.

A digital copy of the photograph shown to Wray is attached hereto.
