Exhibit B

FD-302 (Rev. 5-8-10)

FEDERAL BUREAU OF INVESTIGATION

Date of entry 12/10/2021

Robert Johnson, date of birth [redacted], social security account number [redacted] was interviewed at his residence, [redacted]. After being advised of the identity of the interviewing Agent and the nature of the interview, Johnson provided the following information:

Johnson was eighty percent sure a photo of Emmet Bowens shown to him was of the individual who resided across the street at 246 Fairway Trace Drive earlier this year and before the current resident, [redacted], moved into the residence.

The individual who resided at 246 Fairway Trace Drive prior to [redacted] was secretive and did not come out much or talk to other neighbors. He moved in approximately one year ago and moved out a few months later, possibly in May 2021. When he moved out, it occurred in the middle of the night when he backed up a trailer to the house.

On one occasion before the resident moved out, Johnson called the Hernando Police Department (HPD) for a welfare check because the grass was so overgrown Johnson was afraid something may have happened to the resident. Johnson saw a note left by the HPD on the door of the residence advising they would make entry if contact was not made with the HPD by a certain date.

The resident was not there very often, and it appeared he was not staying there every evening. He did receive multiple packages, which often would pile up on his front porch.

A digital copy of the photograph shown to Johnson is attached hereto.
