I, Stacy Andersen, state that I am a member of the Urbandale Community School District School Board. I am aware that pursuant to Iowa Code Section 280.31, that as a member of the Urbandale Community School District, I am not able to issue a facial covering/ mask mandate for students and school personnel in the Urbandale Community Schools. As a member of the Urbandale Community School Board I would prefer to be able to consider a facial covering mask mandate for our school district. I believe that the local school board would be more aware of local developments concerning COVID-19 and the Delta Variant and would be in a better position to enact

appropriate mask measures to protect our students than the a state law blocking a mask mandate.

I have personal knowledge of the above and am competent to so testify.
