DISTRICT OF MASSACHUSETTS

UNITED STATES OF AMERICA vs. JASMINE MURPHY	Case No. 24-cr-10379-RGS

JOINT INTERIM STATUS REPORT

Pursuant to Local Rule 116.5(a), the parties hereby file the following joint interim status report prepared in connection with the interim status conference scheduled for March 7, 2025.

(1) Automatic Discovery/Pending Discovery Requests

The government provided its first substantial installment of a rolling production of automatic discovery on January 10, 2025.

(2) Additional Discovery

The government anticipates making an additional production of automatic discovery, including email search warrant returns, in short order. That production will largely complete automatic discovery.

(3) Timing of Additional Discovery Requests

With its January 10 production, the government requested reciprocal discovery from the Defendant. The Defendant needs more time to review the discovery and evaluate the need for any additional requests.

(4) Protective Orders

The parties do not anticipate seeking a protective order at this time.

(5) Pretrial Motions

The defendant has not yet determined whether any pretrial motions will be filed pursuant to Fed. R. Crim. P. 12(b).

(6) Expert Discovery

The government agrees to provide any expert witness disclosures 21 days prior to trial. The Defendant agrees to provide any expert witness disclosures 14 days prior to trial.

(7) Defenses of Insanity, Public Authority, or Alibi

The Defendant does not intend to raise the defenses of insanity, public authority, or alibi.

(8) Speedy Trial Act

All of the time has been excluded from the defendant's arraignment on December 13, 2024 through the date of the interim status conference scheduled for March 7, 2025. The parties request that the time be excluded until the next scheduled status conference.

(9) Status of Plea Discussions; Likelihood and Estimated Length of Trial

The parties have engaged in preliminary plea discussions. If a trial is necessary, the parties estimate that a trial in this matter would take approximately three to four days.

(10) Next Status Conference

Given all of the foregoing information, in particular the need for defense counsel to review much of the discovery with the defendant – and if the Court is so inclined – the parties request that the interim status conference, scheduled for March 7, 2025, be canceled. The parties request an additional status conference in approximately 45 days.

Respectfully submitted,
