UNITED STATES DISTRICT COURT
DISTRICT OF MASSACHUSETTS

UNITED STATES OF AMERICA

vs.

JASMINE MURPHY,

Defendant.

Case No. 24-cr-10379-RGS

**ASSENTED-TO MOTION TO CONTINUE FINAL STATUS CONFERENCE**

The United States hereby requests a continuance of the Final Status Conference in this matter, scheduled for December 19, 2025. As grounds for this motion, the government submits that (1) counsel for the defendant was engaged in preparation for a trial that was originally scheduled to proceed from approximately December 8, 2025 to the week of December 22, 2025, (2) because of a medical emergency for the trial judge on that case, the jury was dismissed, (3) because of defense counsel's prior trial preparations, the parties were unable to finalize plea negotiations, and (4) the parties are still engaged in discussions regarding a potential resolution of the case and would benefit from an additional continuance. All of the time has been excluded from the defendant's arraignment on December 13, 2024, and the parties further request that the time be excluded until the date of the rescheduled Final Status Conference. The defendant, through counsel, assents to this request

Respectfully submitted,

LEAH B. FOLEY
United States Attorney
