Criminal Case #26-10030-RGS-JCB

V.

ROSALIE CLEMENT-JACKSON

DEFENDANT'S AFFIDAVIT IN SUPPORT OF MOTION TO MODIFY CONDITIONS OF BOND

I, Rosalie Clement-Jackson, the named defendant in the case captioned above, hereby swear that to the best of my recollection and understanding, the following statements are true, complete, and accurate:

1. On February 9th, 2026, after a hearing regarding the question of bond, Magistrate Judge Panayotta Augustin-Birch set the bond amount in my case at one hundred thousand dollars.
2. The magistrate judge ordered standard conditions of bond, the second of which being: "May not travel outside the Southern District of Florida unless otherwise approved by the Court prior to any such travel. The Southern District of Florida consists of the following counties: Broward, Highlands, an In and River, Martin, Miami Dade, Monroe, Okeechobee, Palm Beach and St Lucie."
3. My son, Semaj Brandon Jackson, intends to apply to Florida A&M University, which is located in Tallahassee, which is within Leon County.
4. As a parent, it is important that I accompany my son on his visit to Florida A&M, as doing so will inform my advice in his decision, and will enable me to be available to him throughout the visit for questions and consult.

5. I understand that should this Honorable Court grant me an exception and modification to my bond conditions, I will have added responsibilities, which may include reporting to Probation before and after departure and return from my home, as well as other conditions which may be set by this Court.

6. I will dutifully comply with any and all conditions of bond and pretrial release.

Respectfully sworn under the pains and penalties of perjury,

Rosalie Clement-Jackson
