****

Having considered the grounds advanced in the Government's Unopposed Motion to Exclude Time Pursuant to the Speedy Trial Act and good cause having been shown in support of the relief requested in the Motion, the Court, on this 28th day of May 2024, finds that the ends of justice served by granting the requested continuance in this matter outweigh the best interests of the public and the Defendant in a speedy trial because in light of their schedules and the schedule of the Court the parties required a longer period than is normally afforded under the federal Speedy Trial Act to prepare for and engage in trial.

THEREFORE, IT IS HEREBY ORDERED that the Government's motion is GRANTED; and it is further ORDERED that for the reasons set forth in the Government's motion, all time from May 3, 2024, through and including December 2, 2024 shall be excluded from calculation of the amount of time that has expired under the Speedy Trial Act, 18 U.S.C. § 3161 in this case.

Honorable George Levi Russell III
United States District Judge
