Having considered the grounds advanced in the Government's Consent Motion to Exclude Time Pursuant to the Speedy Trial Act and good cause having been shown in support of the relief requested in the Motion, the Court, on this 8th day of November 2023, finds that the ends of justice served by granting the requested continuance in this matter outweigh the best interests of the public and the Defendant's in a speedy trial because the parties require a longer period than is normally afforded under the federal Speedy Trial Act to conduct plea discussions and to engage in pre-trial preparation in the event that no agreement is reached upon a plea.

THEREFORE, IT IS HEREBY ORDERED that the Government's motion is GRANTED; and it is further ORDERED that for the reasons set forth in the Government's motion, all time from January 6, 2023 through April 8, 2024 shall be excluded from calculation of the amount of time that has expired under the Speedy Trial Act, 18 U.S.C. § 3161 in this case.

Honorable Richard D. Bennett
United States District Judge
