Good morning,

I do not have an issue if Mr. Epstein purchases or leases a vehicle. Let me know when the Court signs the order granting permission.

Good morning Nicole. A tree fell on David Epstein's vehicle. The insurance company totaled the car. Mr. Epstein needs to replace the vehicle and will use the proceeds (approximately $28,000) from the insurance company. However, I am asking for approval for Mr. Epstein, if necessary, to either enter into a lease or outright purchase of the new vehicle. If he purchases a vehicle, he may need to borrow up to $10,000 to complete the purchase. Please let me know if PTS has any problem with either the purchase option or the lease option. Thank you.

Regards,
