To Whom it May Concern:

It is with great pleasure and enthusiastic support of Mr. Don'trell Barnes that I write this letter of recommendation. I have gotten to know Mr. Barnes over the past years, as a friend and a Choir Director. In both capacities, I have been most impressed with his talents, compassion, knowledge and professionalism. Trell, as he is affectionately called, set his goals early in life and has worked with dedication and desire to accomplish them. I have found him to be very well prepared, intelligent, articulate, and dedicated with the highest integrity and honesty. One who is approachable, engaged and genuinely committed in all of his endeavors.

Developing strategies to positively influence workplace relationships, he has tackled his responsibilities with spirit and sophistication, interacting with church members, the choirs and musicians as well as Church Leadership in an effective, responsible, manner. A Christian person of unusual energy, maturity, and interpersonal skills. He was reared in a home with loving and devoted parents, a home where the love of family, Christian values, and work ethics were the utmost of importance. Mr. Barnes is also employed by a health care provider as he transports the elderly patients to their appointments, a Choir director for a funeral home, a community choir director, trained in law enforcement, and assist his mother in her catering business, His performance in these roles is a testament of his character, compassion, and abilities. A trusted person with substantial experience, knowledge, and desire functioning in the professional world. I am very confident that he will be an exceptional asset in any capacity. I strongly recommend Mr. Barnes without reservation. Thank you for your consideration and trust.

Please do not hesitate to call me if I can be of further assistance.

With best regards,

Matyre L. Knight
