RE: Case 1:21-cr00054-RDB

RE: Urgent message to fire my court appointed attorney. I would like judge bennet to address this matter personally. I can no longer allow the representation of any court appointed attorney. I also have proof that the courts have sided with a CJA attorney before which led to me being taken into custody even though he lied.

I have a right and I am entitled to view my discovery to its entirety with my attorney in preparation for trail. This is now yet another experience with a CJA attorney that has gone this way. In fact, this experience is the worse when it comes to preparation because up until now me an Alfred have never reviewed any evidence to strategize a defense for me. The last CJA attorney Jose Molina Filed a
