A designation date has not yet been set by the Bureau of Prisons.

Respectfully presenting petition for action of court and for cause as follows:

According to a report provided by the Shelby Township Police Department, On March 6, 2026,, the defendant allegedly hit his wife, Christina Anasi, in the face. According to the report, the victim contacted emergency services requesting assistance be sent to her residence. When officers arrived at the residence, the victim answered the door with a visible red mark on her face, (right cheek area). The officer indicates in the report, the victim's phone was cracked and could see items strewn about to indicate a struggle. According to the officer, the victim was very elusive in answering questions and asked the police to leave. The victim told police the defendant had already left and refused to cooperate in the investigation. Despite the victim not cooperating, a warrant for domestic violence was requested by the officer to the Macomb County Prosecutor.

A NCIC/LEIN conducted on March 10, 2026, revealed no new criminal activity and no new warrants.

Due to the allegation of domestic violence and the defendant's pending voluntarily surrender, Pretrial Services views the defendant as a risk of danger to the community and risk of nonappearance and therefore, requests his bond be revoked and he begin service his term of custody.

PRAYING THE COURT WILL REVOKE THE DEFENDANT'S BOND AND HE BE TAKEN INTO CUSTODY TO BEGIN HIS CUSTODIAL SENTENCE.

I declare under penalty of perjury that the foregoing is true and correct.

Executed on March 11, 2026

Respectfully,
