UNITED STATES' CONSENT TO RELATOR'S VOLUNTARY DISMISSAL

On June 9, 2025, the relator, Integra Research Group LLC, filed a Notice of Voluntary Dismissal of this action. Pursuant to the False Claims Act, 31 U.S.C. § 3730(b)(1), the United States hereby notifies the Court that it consents to the dismissal of the relator's Complaint without prejudice to the United States, based on its determination that such a dismissal is commensurate with the public interest and that the matter does not warrant the continued expenditure of government resources to pursue or monitor the action based on currently available information.

The United States requests that the relator's Complaint, the relator's Notice of Voluntary Dismissal, this Notice, the Court's Order dismissing this action, and any subsequent filings in this action be unsealed. The United States further requests that all other papers on file in this action remain under seal because in discussing the content and extent of the United States' investigation, such papers are provided by law to the Court alone for the sole purpose of evaluating whether the seal and time for making an election to intervene should be extended.

A proposed order accompanies this notice.

Respectfully submitted,

LEAH B. FOLEY
United States Attorney
